

6.5%* For Six Months
180 Day T-Bill
 For Remaining 12 Months

The West One Bank Anniversary CD

Presenting the West One Bank 125th Anniversary certificate of deposit. It's an 18-month, adjustable-rate CD. And here's how it works. Your money earns the high rate of 6.5% for the first six months, then adjusts to the six-month Treasury Bill discount rate. After six more months, it adjusts again to the current six-month T-Bill discount rate. With an outstanding rate now, and an adjustable rate later, this is definitely an offer worth considering. But keep in mind, like our anniversary, it only lasts for a limited time. So come in today, or call 248-6688.

*Annual simple interest rate. Limited time offer. No other promotional offers are valid with this offer. Consumer accounts only. No broker or out-of-state money from non-customers. Minimum deposit \$500. \$150,000 maximum deposit per household. CD has straight maturity and cannot be used for IRAs. Interest paid quarterly. Substantial penalty for early withdrawal. As of 10/5/92 the six-month T-bill discount rate was 2.789%. Member FDIC.

**To Fight
 Crime In Your
 Neighborhood,
 We Suggest
 Building Bridges,
 Not Fences.**

Nothing helps deter crime like a highly-visible, well-organized neighborhood patrol program. Nothing

that won't be remedied by stronger locks, taller fences or bigger, more ferocious watchdogs.

Now more than ever, citizens must work together with police and neighbors to take the offensive against crime. This means getting out of our recliners and getting involved. Like participating in a neighborhood patrol program, for instance.

Neighborhood patrols are a strong, safe deterrent to crime. Especially when linked to 9-1-1 and local law enforcement organizations via cellular telephone.

That's why Cellular One® is supporting community crime prevention efforts by

Cellular One will donate 40 Motorola cellular phones for use by trained patrols. Call ONA for details.

Something is wrong when law-abiding citizens are the ones who feel like prisoners.

Crime is on the rise almost everywhere. But it's clearly a problem

donating 40 Motorola portable phones, to be made available to the neighborhood organizations that need them most.

Of course, you don't have to join a patrol to make a difference. If you own or use a cellular phone, use it to report suspicious activity or someone who needs help.

Cellular Watch™ Made possible through the cooperation of Cellular One, the Portland Police Bureau, the City of Portland's Office of Neighborhood Associations (ONA) and concerned citizens like you.

It will do more for your neighborhood's peace of mind than any ten-foot tall, electrified barbed-wire fence ever could.

Find out more today. Call ONA at 823-4519, or Cellular One at 274-6155.
