The West One Bank Anniversary CD

Presenting the West One Bank 125th Anniversary certificate of deposit. It's an 18-month, adjustable-rate CD. And here's how it works. Your money earns the high rate of 6.5% for the first six months, then adjusts to the six-month Treasury Bill discount rate. After six more months, it adjusts again to the current six-month T-Bill discount rate. With an outstanding rate now, and an adjustable rate later, this is definitely an offer worth considering. But keep in mind, like our anniversary, it only lasts for a limited time. So come in today, or call 248-6688.

*Annual simple interest rate. Limited time offer. No other promotional offers are valid with this offer. Consumer accounts only. No broker or out-of-state money from non-customers. Minimum deposit \$500. \$150,000 maximum deposit per household. CD has straight maturity and cannot be used for IRAs. Interest paid quarterly. Substantial penalty for early withdrawal. As of 10/5/92 the six-month T-bill discount rate was 2.78%. Member FDIC.
