IT'S WHERE YOU BELONG

"THIS SPACE IS DEDICATED  
TO A MAN WHO DID NOT  
SEE THINGS IN BLACK AND WHITE."

## Birthday presence.

What would you give  
Martin on his birthday?  
Can you separate the man  
from his ideas?  
How do you gift wrap a dream?  
Can you put Peace in a box?  
Maybe you could send him  
a world of people who are  
glad that he lived,  
who are trying  
to live the lessons  
of compassion  
of courage  
of a right and wrong  
where truth does not discriminate,  
but can be found in the soul  
A world of people trying simply  
to do what is right.  
—Those lessons,  
that he left us  
Happy Birthday, Dr. King

Salutes

Dr. Martin Luther King, Jr.

"As long as there is poverty  
I can never be rich . . .  
As long as diseases are rampant  
I can never be healthy . . .  
I can never be what I ought to be  
until you are what you ought to be.  
This is the way our world is made . . .  
We are interdependent"
