

A HOME LOAN for PEOPLE WHO THINK THEY CAN'T GET ONE.

See what you think about this: with a HomePartners loan from U.S. Bank, the money you'll need for down payment is about one-third less than even the usual federally insured home loan requires. And you can avoid many closing costs up front, simply by borrowing for them with the rest of the money. Sound too good to be true? Keep reading, it gets even better. Because we've made it easy to qualify. A steady income and a good history of paying your bills might be all you need.

So, before you give up on the idea of owning your own home, look into our HomePartners loan. We think you'll be pleasantly surprised.

By DEREK RASHEED

Marty Alameda, owner of River City Public Auto Auction said, "Why pay full retail? River City Public Auto Auction lot is a lot that offers to the public the opportunity to buy a good used car inexpensively for a lot less money than at a used car lot. River City Public Auction cuts out the middle man."

When you buy a car at River City you are not charged with the extra expense of reconditioning a used car, salesman commission or rent for being on the lot. At River City the customer is number 1. You are treated with the same courtesy and respect as a car dealer. You have the same opportunity as a car dealer to make a bid and purchase a vehicle.

The vehicles at River City come from a variety of sources throughout the city to be sold. Sources include car dealer-ships, private owners, repossessions and a variety of non-profit organizations such as Volunteers of America. Most vehicles at River City have a reserve price assigned by the consignee, which in most cases is set at low or below blue book, making the vehicle very affordable. River City is very honest with the public informing them of the condition of all vehicles. They are open daily from 9 am to 5 pm for vehicle inspection. Bidding or purchasing prior to every Satur-

day auction deadline time.

River City is open to the general public for the purchasing or selling of vehicles. To sell a vehicle at River City you need the title in your name. Present the vehicle to a River City representative to be checked and put on a contract with a reserved price at that time. You need a full description of the vehicle and place the vehicle on lot for daily viewing until auction day. Vehicles are sold daily at River City.

To buy a vehicle at River City you can make an offer or pay the full reserve price for the vehicle. You will have two full banking days to pay the balance on any vehicle purchased. 10% deposit is required if not paid in full. A partial non-refundable fee would be imposed, if the vehicle is not purchased within two banking days.

On auction day each Saturday at noon you must register name and address to receive a bid number, in order to participate in the auction. The same payment plan applies as mentioned. River City Public Auction is located at 6500 NE Martin Luther King Blvd., Portland, Oregon, (503) 240-0448.

"So why pay full retail?" Go to River City Public Auction. Next auction day is January 16 at 12 noon.
