Data Processing

Technical Lead Analyst

Blue Cross and Blue shield of Oregon is currently accepting applications for a Technical Lead analyst in our Developmental Technologies and Practices Department.

Qualified candidates must have a strong demonstration of PC/DOS, SQL, Relational Databases, Client/Server, Data Modeling, Data Analysis, and Developmental Methodologies. The individual must be able to communicate well orally and in writing, relate well with management and staff and work well in a team environment. Training in systems analysis is required with special emphasis in the areas of project management, user relations, data gathering techniques, and communication. In addition, knowledge of IBM/MVS, TSO, distributed application languages, and networking is desired. Any additional PC/Distributed Platform skills are a plus. A college degree in computer science or related area is desirable, although commendable performance as a Senior or Lead Analyst may substitute for college experience.

The Technical Lead Analyst's responsibilities will include:

- Designing and directing system improvements using new technology to solve problems in order to achieve greater operating efficiency or meet user needs.
- Keeping informed of advances in I/S technology and the application of that technology to the establishment of better new and improved systems.
- Fulfilling administrative reporting requirements in order to inform management of project status.
- Serving as a technical leader to other team and I/S members.

Blue Cross and Blue Shield of Oregon offers an excellent employee benefits package, flex-time work hours and competitive salary. Pre-employment drug screening required. To assure your resume is processed immediately, place ad #073 at the top of your resume or in your cover letter. Send resume to:

Public Notice

The State of Oregon, Senior and Disabled Services Division is issuing a request for proposal (RFP) for grant funds to begin group day respite centers for individuals with Alzheimer's disease or related memory disorders.

Twenty \$10,000 grants will be awarded, 9 in 1993 and 11 in 1994. Proposals should be based on the Brookdale model, which is designed to provide affordable and accessible respite care services to families who provide care to individuals with dementia-specific disorders.

Special consideration will be given to proposals that serve rural areas and/or minority populations.

an Ed-Net informational meeting is scheduled in 17 sites throughout the state on Wednesday, April 7, at 2:00 p.m. Interested parties may request further information on the Brookdale program, copies of the request for proposal, or site information for the Ed-Net meetings by calling:

Cindy Miller
Senior and Disabled Services Division
500 Summer Street, 4th Floor
Salem, Oregon 97310-1015
(503) 378-8103

Proposals must be received no later than 5:00 p.m., Friday May 14, 1993 for consideration for one of the 9 grants available in 1993.

In compliance with the 1990 Americans With Disabilities Act, the RFP is available in braille, audio, or written format.
