E. Multnomah Street, 15th floor, Portland, Oregon, (mailing address: Post Office Box 3529, Portland, Oregon, 97208) until, but not after, 3 p.m., Tuesday, May 18, 1993, and thereafter publicly opened and read.

Description of Work:

Construction of a spill containment berm, a water quality swale and detention pond, an earthen embankment, a concrete control manhole, and approximately 230 feet of storm sewer pipes to a new outfall.

A prebid conference will be held on Thursday, May 6, 1993, at 2 p.m. in the Terminal 6 Administration Building to discuss all phases of the work.

Please direct technical questions to the Project Engineer, Frank Barrero, (503) 731-7350.

The Port of Portland is committed to providing equal opportunities to State of Oregon certified Disadvantaged Business Enterprises (DBEs) in contracting activities. The DBE participation target for this project is 10 percent. For this reason, the Port is requesting bidders' good faith efforts as defined in ORS 200-045(3) in achieving increased DBE participation. In this effort, the Port is requiring bidders to provide, by 5 p.m. of the next working day following bid opening, information concerning their efforts to include DBE subcontractors in the bidding process.

The Port Contracts and Procurement office has DBE vendor profiles available which will be supplied to prime contractors upon request. The profiles identify pertinent vendor data which may assist prime contractors in providing subcontracting and supplier opportunities to DBEs in specific areas as identified by the Port.

Bids must be on the bid form which will be provided to prospective bidders and must be accompanied by a certified or cashier's check drawn on a United States bank or a bid bond payable to The Port of Portland in an amount equal to at least 10 percent of the total amount bid. Bidders are required to prequalify in the following category:

Sewer and Water Line Construction

Prequalification applications must be submitted not later than 5 business days prior to the bid opening date.

The drawings and the contract manual may be examined at Port offices. Copies may be obtained by prospective bidders at no cost from Contracts and Procurement (address above).

No bid will be received or considered unless it contains a statement by the bidder as a part of the bid that the provisions of ORS 279.350 (regarding prevailing wage rates) are to be complied with.

No bid will be received or considered unless the bidder is registered with the State of Oregon Construction Contractors Board, pursuant to ORS 701.055 (1), prior to submitting a bid. (Reference Articles 10, 12, and 13 in the Instructions to Bidders.)

A license for asbestos work under ORS 468A.720 is not required for this work.

Bidders are required to state whether or not bidder is a resident bidder, as defined in ORS 279.029. (Reference Article 3 in the Instructions to Bidders.)

Bids may be rejected if not in compliance with bidding procedures and requirements. Any or all bids may be rejected if in the public interest to do so.
