Invitation To Prequalify For Bidding

The Oregon Department of Transportation hereby solicits interest from both general contractors and subcontractors who want to perform one or more quality-critical items of work on the Depoe Bay Bridge Rehabilitation and Corrosion Protection Project. This \$2.5-\$5 million project is to be bid August 26, 1993. It is part of the Oregon's \$100 million concrete Coastal Bridge Rehabilitation and Cathodic Protection Program which extends over the next 10 years.

The quality-critical items of work are (1) Locate and Remove Near Surface Metal (65,000 square feet and 16,000 items), (2) Replace Damaged Concrete (Pneumatically-Applied-11,000 square feet), (3) Install Reference Cells (28 items), (4) Install Corrosion Null Probes (14 items), (5) Locate and Eliminate Electrical Discontinuities in Reinforcing Bars (65,000 square feet, 1,500 items), (6) Prepare Secondary Anode Surfaces (Abrasive Blasting - 65,000 square feet), and (7) Install Secondary Anodes (Zinc Arc-Spraying - 65,000 square feet).

To participate in the Depoe Bay Bridge project bidding in the quality-critical items of work, described above, general contractors and subcontractors must have special prequalification approval from the Oregon Department of Transportation. To apply for special prequalification, the applicants must submit a Contractor's special Prequalification Application which provides evidence of experience directly related to each of the quality-critical work items in which the contractor/subcontractor intends to participate. General contractors must submit this application in addition to the Contractor's Prequalification Application, (beige covered form revised 12/92), that must also be approved by the Oregon Department of Transportation if they are not already approved.

Prospective participants can obtain the Contractor's Special Prequalification Application form along with a copy of the advanced plans and specifications by telephoning Billie Knapp at (503) 378-6293. These documents will be available between June 3, 1993 and June 18, 1993. Applications must be returned by June 18, 1993.
