Document 00020 Advertisement For Bids

The Port Of Portland
Portland International Airport
Flight Information Display
Monitor Support

Sealed bids for the Portland International Airport, Flight Information Display, Monitor Support, will be received at the office of the Manager, Contracts and Procurement, of The Port of Portland, 700 N.E. Multnomah Street, 15th floor, Portland, Oregon, (mailing address: Post Office Box 3529, Portland, Oregon, 97208) until, but not after, 2:30 p.m., June 24, 1993, and thereafter publicly opened and read.

Description of Work:

Fabrication and installation of supports for flight information display monitors.

A prebid conference will be held on Tuesday, June 15, 1993, at 2 p.m. at the Portland International Airport Maintenance Facility, 7111 N. E. Alderwood Road, Portland, Oregon, to discuss all phases of the work.

Please direct technical questions to the Project Engineer, Walter Haynes, (503) 731-7343.

Bids must be on the bid form which will be provided to prospective bidders and must be accompanied by a certified or cashier's check drawn on United States bank or a bid bond payable to The Port of Portland in an amount equal to at least 10 percent of the total amount bid.

Bidders are required to prequalify in the following category:

Structural Steel Fabrication

Prequalification applications must be submitted not later than 5 business days prior to the bid opening date.

The drawings and the contract manual may be examined at Port offices. Copies may be obtained by prospective bidders at no cost from Contracts and Procurement (address above).

No bid will be received or considered unless it contains a statement by the bidder as a part of the bid that the provisions of ORS 279.350 (regarding prevailing wage rates) are to be complied with.

No bid will be received or considered unless the bidder is registered with the State of Oregon Construction Contractors Board, pursuant to ORS 701.055 (1), prior to submitting a bid. (Reference Articles 10, 12, and 13 in the Instructions to Bidders.)

A license for asbestos work under ORS 468A.720 is not required for this work.

Bidders are required to state whether or not the bidder is a resident bidder, as defined in ORS 279.029. (Reference Article 3 in the Instructions to Bidders.)

Bids may be rejected if not in compliance with bidding procedures and requirements. Any or all bids may be rejected if in the public interest to do so.

Contracts and Procurement

Invitation To Bid

17th Avenue
Public Improvements
A Community Development Block Grant Project
No. 5131

Sealed proposals for the construction of the 17th Avenue Public Improvements, street, storm drainage and landscaping reconstruction, will be received at the office of the Director of Support Services of the City of Forest Grove, 1924 Council Street, P.O. Box 326, Forest Grove, OR 97116, until 2:00 p.m. local time the 24th of June, 1993 and then publicly opened and read.

The work generally consists of the construction of street and storm sewer improvements along a two block local street. Included will be the construction and installation of sidewalks, curbs and gutters, driveways, asphalt concrete pavement and aggregate street structure, street trees and storm sewer.

A copy of the contract documents may be obtained at the address shown above upon payment of a \$25.00 non-refundable fee (\$30.00 if requested by mail).

This project is co-financed through the community Development Block Grant Program with funds obtained from the U.S. Department of Housing and Urban Development and through the City of Forest Grove with budgeted City funds. The contract will be subject to regulations of the Departments of Labor and Housing and Urban Development.

Attention is called to Federal Provisions for Equal Employment Opportunity, HUD Section 3 Requirements, and the minimum wages as set forth in the contract documents.

In addition, the Contractor, subcontractors and all employees working under the Contract shall comply with ORS 656.017, which requires them to provide workers' compensation coverage for all their subject workers. The Contractor and all subcontractors must be registered with the Oregon Construction Contractors Board (in compliance with ORS 701.055) and/or the Landscape Contractors Board (in compliance with ORS 671) prior to the bid opening.

For more information regarding this project, contact Patrick D. Baughman, Chief Engineer at 359-3203.

Ivan Burnett, Director of Support Services
City of Forest Grove

Invitation To Bid

Poplar Street And 19th Avenue
Storm Drain Improvements
A Community Development Block Grant Project
No. 5130

Sealed proposals for the construction of the Poplar Street And 19th Avenue Storm Drain Improvements, will be received at the office of the Director of Support Services of the City of Forest Grove, 1924 Council Street, P.O. Box 326, Forest Grove, OR 97116, until 2:00 p.m. local time the 24th of June, 1993 and then publicly opened and read.

The work generally consists of the construction of approximately 2000 LF of storm drain improvements with pipe diameters ranging from 10" to 42". Included will be the construction and installation of 10 manhole structures and approximately 625 square yards of asphalt concrete surface replacement.

A copy of the contract documents may be obtained at the address shown above upon payment of a \$25.00 non-refundable fee (\$30.00 if requested by mail).

This project is co-financed through the Community Development Block Grant Program with funds obtained from the U.S. Department of Housing and Urban Development and through the City of Forest Grove with budgeted City funds. The contract will be subject to regulations of the Departments of Labor and Housing and Urban Development.

Attention is called to Federal Provisions for Equal Employment Opportunity, HUD Section 3 Requirements, and the minimum wages as set forth in the contract documents.

In addition, the Contractor, subcontractors and all employees working under the Contract shall comply with ORS 656.017, which requires them to provide workers' compensation coverage for all their subject workers. The Contractor and all subcontractors must be registered with the Oregon Construction Contractors Board (in compliance with ORS 701.055) and/or the Landscape Contractors Board (in compliance with ORS 671) prior to the bid opening.

For more information regarding this project, contact Steve Wood, Project Engineer, at 359-3232.

Ivan Burnett, Director of Support Services
City of Forest Grove

Advertisement For Bids

Sealed bids for Fenton Hall Reroofing Project University of Oregon, Eugene, Oregon, will be received by the Oregon State Board of Higher Education at University of Oregon, Physical Plant Department, Conference Room 2, 1295 Franklin Boulevard, Eugene, Oregon until 3:00 p.m., June 29, 1993, and then publicly opened and read aloud by the Undersigned or his designated representative.

Briefly, the project includes reroofing approximately 2,150 SF of roof area with adhered elastic membrane sheet and approximately 6,800 SF with standing seam metal. This project will involve the complete removal of existing built-up roofing and standing seam roofing. The project also includes the repair and coating of existing concrete coping, masonry cleaning and sealing, sheet metal repair and painting, and carpentry items.

Bids will be received on a lump-sum basis for the Work as shown on the Drawings and as described in the Specifications. One (1) set of the Project Manual may be obtained from Soderstrom Architects, P.C., 1200 N.W. Front Avenue, Suite 410, Portland, Oregon 97209, 503/228-5617 by bidders only upon deposit of \$25.00. Additional sets may be obtained for the cost of reproduction.

Deposits will be refunded for documents returned in "good condition" within two weeks after opening of bids.

The Project Manual may be examined at the University of Oregon Physical Plant, Eugene; Daily Journal of Commerce Plan Center, Portland; Construction Data West, Portland; Eugene Builder's Exchange, Eugene; Salem Contractor's Exchange, Salem; Construction Data East Plan Center, Portland; Oregon Builder's Exchange, Roseburg; and Impact Business Consultants, Portland.

All bidders must comply with the requirements of the prevailing wage law in ORS 279.350.

No bid will be considered unless fully completed in the manner provided in the "Instructions to Bidders" upon the Bid Form provided and accompanied by Bid Security.
