## Part-time Intern Job

The Albina Ministerial Alliance (AMA) is seeking a fundraising intern for a three to six month mutual learning experience. The intern will work with outside fundraising counsel to begin the development of a long-term, ongoing effort to provide financial support to the mission of the Alliance.

AMA promises the intern a broad-based learning experience that culminates with a formal report that will be used by AMA and can be taken with the intern for future use in their career. There is a strong likelihood that a permanent development position will be opened during the internship, thus giving the intern an inside track on securing this position. Please note however, that a thoughtful community search will be conducted.

The successful intern candidate will be an individual with powerful communication skills both oral and written - informal and formal. Previous fundraising experience is not required, but relevant life experiences will be valuable. Maturity in attitude, patience, marketing skills, and enthusiasm for the mission of Albina Ministerial Alliance and the community it serves will be critical factors.

Please apply to:  
Albina Ministerial Alliance  
1425 NE Dekum -  
P.O. Box 11243  
Portland, OR 97211  
Closing Date:  
June 29, 1993, 5:00pm

Engineer

## Manager Maintenance And Engineering Services

Led by a firm commitment to safeguarding the environment, the Metropolitan Waste Control Commission works hard to ensure the treatment of area wastewater meets high standards. An excellent opportunity currently exists for a resourceful, analytical thinker capable of handling broad-based challenges.

Responsibilities include overall management of the Maintenance Group which performs maintenance of plant equipment and facilities; provides in-house maintenance engineering services to support equipment modifications/minor plant improvements; and maintains construction drawings and equipment O & M records. Management responsibility encompasses a total of approximately 200 employees through six directly reporting managers, you will also participate in strategic planning designed to improve maintenance efficiency/productivity and contribute to the formulation of labor relations initiatives.

To qualify, you must have a Bachelor's degree in Engineering plus a combination of 5 years maintenance experience and 3 years management experience. Candidates who possess post-secondary education and maintenance experience totalling 10 years and a minimum of 3 years management experience will also be considered. Excellent communication abilities, an in-depth understanding of management principles and strong decision making skills are essential. Familiarity with electrical, mechanical and hydraulic systems is a must, as is knowledge of maintenance planning procedures and systems. The ability to manage effectively in a multi-union organization is mandatory.

We offer a highly competitive salary and attractive benefits package. For confidential consideration, please contact 612-229-5010 or 612-229-2052, obtain an application form from our Human Resources Department, Metropolitan Waste Control Commission, 230 East 5th Street (Fifth Floor), St. Paul MN 55101, or fax resume to 612-229-2071. Completed applications must be received or post-marked by June 29, 1993. AA/EEO.
