Every year, more and more black readers are discovering the fun, value and friendly hospitality of a Walt Disney World Resort vacation.

They're finding that Walt Disney World is not just fun for kids; it's fun for the whole family. Magical for all ages. Educational for young and old alike.

They're discovering that a Walt Disney World Resort vacation is more than a visit to Fantasyland. It's a trip into the future at Epcot Center. An exciting day in the life of a movie star at the Disney-MGM Studios Theme Park. Swimming and sliding at Typhoon Lagoon. Dancing at Pleasure Island. Sailing. Golf. Horseback riding. And just relaxing on a beautiful Disney resort beach.

Discover the Walt Disney World Resort this year. It's everything black readers say it is.
