## THE AIR FORCE HAS JOBS

We're hiring. And, if you're a high school graduate we've got an opportunity for you. We'll train you. Plus, you'll get hands-on experience in a great Air Force job. Then, when your Air Force enlistment is up, those skills will be in demand in a civilian job.

How far you go is up to you. If you are 17 to 27 years old, visit your local Air Force recruiter or call: 1-800-423-USAF.

In addition to training and a good paycheck, the Air Force will help you get an education. We'll help you pay for college while you're in the Air Force. Also, we have a two-year degree program and a plan to provide money for school even after your Air Force tour is over.
