City of Gresham Consultant Services Statements due 5:00 p.m., November 9, 1993 Request For Proposals

The City of Gresham plans to retain consultant services to serve as project manager for the construction of a 90,000 square foot City Hall office building. This service may be provided by a firm, or individual, experienced in working with "Blue Ribbon Committees", City staff, elected officials, and architects and engineers in the design and construction of public office facilities. The Project Manager will represent and promote the City's interest throughout all phases of the work. The City expects that the Project Manager will develop and maintain a cooperative team approach with all other parties involved throughout the pre-design, design, and construction process.

Interested firms/individuals shall submit to the Gresham Department of Environmental Services Director's office, 1333 N.W. Eastman Parkway, Gresham, Oregon 97030-3813 by 5:00 p.m. Tuesday, November 9, 1993, seven copies of Request For Proposals which must follow the rules stated within the Request for Proposal packet.

Request For Proposal packet is available from the City of Gresham, Department of Environmental Services, 1333 N.W. Eastman Parkway, Gresham, Oregon, 97030-3813. Questions concerning this project should be addressed to Greg DiLoreto, 669-2402.

A City selection committee will review their proposals. The top firms/individuals will be invited to an oral interview on November 11, 1993. It is intended that a project manager be hired by January 7, 1994.

ORS 279.025 provides that the public contracting agency may reject any proposal not in compliance with all prescribed public bidding procedures and requirements, and may reject for good cause any or all proposals upon a finding of the agency that it is in the public interest to do so.

The City of Gresham's programs, services, employment opportunities, and volunteer positions are open to all persons without regard to race religion, national origin, sex, age, marital status, handicap, or political affiliation.

Oregon State University Agricultural Experiment Station Project Management Services Proposals due 3:00pm, Oct. 28

Request For Proposals (RFP)

The OSU Agricultural Experiment Station and the Oregon Department of Agriculture are requesting proposals for project manager services for the development and construction of a Food Innovation Center (Center) in Portland, Oregon.

The purpose of the Center is to develop all aspects of food science, production, processing and marketing. This RFP is to select a project manager to identify private developers who may participate in the Center building and develop an initial financial plan, and is contingent on financing to extend the services to include the project's construction phase.

To obtain the full RFP call Bruce Sorte at (503) 737-5909 or write: Agricultural Experiment Station, Strand Ag Hall 138, Oregon State University, Corvallis, OR 97331-2201. Fully completed proposals must be received by 3:00pm on October 28, 1993. Minority/women owned businesses are encouraged to submit proposals.
