## BENSON, WILSON REMAIN UNDEFEATED

BY JOHN PHILLIPS

In the P.I.L. game of the week played at Wilson High School field, the Trojans came out on top 28-14 over the upset minded Marshall Minuteman.

Marshall scored first on a 14 run by Damon Martindale. Jake Lancaster tied the score at 7-7 on a 40 yard run to end the opening quarter. David Jackson then scored from a yard out, as the Trojans took a 14-7 halftime lead.

Marshall got even at 14-14 on Robby Buen's 35 yard pass play to Noel Paterson. But that would be all the points the Minuteman would get. Wilson defense blanked the Marshall offense the rest of the night. Two big interceptions by Scott Burton and Just Prine. That led to Jason Eilertson 47 yard touchdown run for a 21-7 lead. The final score came on a Jamie Thorpe's 12 yard touchdown pass to Nathan Lundby.

Keep this date in mind, Friday November, 5. Wilson and Benson will play at Wilson, maybe for the P.I.L. championship.

Derrick Brame had a very big night with 225 yard on only 20 carries, as Franklin stayed just one game off the pace with a 28-20 win over Madison at home.

Brame had three touchdowns on runs of 52, 27 and 4 yards. The Quakers only other score came on a one yard run by quarterback Matt Geske.

Madison kept the game close on the play of Robert Cavil. Cavil scored from 36 yards out, on a very nice run, then he a quarterback Doug Ashley got together on a 97 yard pass play to pay dirt. Ashley also added a one yard score for the Senators.

Grant evened its record at 3-3 with a easy 21-8 win over the Democrats from Jefferson.

Rico Waddell had two touchdowns on the night, with runs of 5 and 36 yards. Greg Dumas scored the other touchdown for the Generals on a one yard run.

The Demo's only score came late in the game on a two yard run by Jochannan Lowe.

Roosevelt won for the second week in a row, with a run-a-way

victory over Lincoln 42-13.

James Young scored three times for the Rough Riders on the night. On runs of 2, 5, and 7 yards. Joe Duran added two more scores on runs of 1 and 29 yards. Jesse Wescott had a 30 yard interception return for a touchdown.

Lincoln's two touchdowns came on a William Holloway one yard score, and a 25 yard scoring pass from Dan Roth to James Campbell.

In a game played on Saturday at Cleveland High School field, it was Benson over the Warriors, 17-3.

Patrick Johnson opened the game with a 90 yard kick-off return for a touchdown Johnson, a 6'2", 200 pound running back, returned his second opening game TD of this season.

Quarterback Desmond Faison is the jack of all trades, as he kicked a 22 yard field goal.

Tech's final touchdown came on a punt return by Quincy Fluker, for the teams 17 points.

Cleveland three points came on a 16 yard field goal by Billy Hefflinger.

## Study Of Portland Public Schools Facilities Operations Released

A study by the URS Consultants, a private consulting and engineering firm, of the custodian and maintenance operation in the Portland Schools was released. Administrators wanted to know who the district compared with the best in the marketplace, and what could be done to improve all aspects of the District's operations. The answers included compliments, criticisms and challenges including:

- A favorable comparison with large city school districts in the Northwest regarding salaries, quality of work and balance of contracted services versus work done "in house."
- A need to change the way work is tracked.

A new system of scheduling and coordinating repairs.

The URS Consultants study calls for a continual comparison with the best in quality combined with cost.

"We got exactly what we wanted from the study. We agree wholeheartedly," says Portland Superintendent Jack Bierwirth. "This is exactly what we wanted from the study. We are prepared to implement those ideas as soon as we can. The staff of the district has the same objective: quality and efficiency at the highest standards."

For more information on the study contact Lew Frederick in the Public Information Department at 331-3304.
