Metro may reject any proposal not in compliance with all prescribed public proposal procedures and requirements, and may reject for good cause any or all proposals upon a finding of the agency that it is in the public interest to do so.

Public Notice

This announcement will serve as notice of Washington State Department of Transportation's (WSDOT) annual Disadvantaged Business Enterprise (DBE) goals for the year beginning October 1, 1994. WSDOT proposes an overall goal of 16 percent DBE participation in each of the following areas of its federally funded contracting opportunities:

Highways planning, research, design and construction projects funded by the Federal Highway Administration.
 Public transportation planning, technical assistance, purchase of goods and services, terminal improvements, and marine vessel refurbishments funded by the Federal Transit Administration.

Airports system planning projects funded by the Federal Railroad Administration.

Rail line rehabilitation projects funded by the Federal Railroad Administration.

In addition, WSDOT proposes an overall goal of 8 percent DBE participation in its concession leasing opportunities associated with federally funded marine terminals and vessels funded by the Federal Transit Administration.

This notice is published in accordance with the Code of Federal Regulations 49, Part 23, Subpart C.

The method used to establish the goals included consideration of past historical experience and statewide overall annual goals established by the State Office of Minority and Women's Business Enterprises. The support documentation for determining these goals will be available for inspection 8 a.m. to 5 p.m. at the Washington State Department of Transportation Building in Olympia, Washington, for 30 days following the date of this notice. WSDOT will accept comments on goals for information purposes only, until August 31, 1994. Written comments should be submitted to Harold G. Moss, Manager, External Civil Rights Branch, Office of Equal Opportunity, Department of Transportation, Transportation Building, Olympia, Washington 98504-7314.
