Notice of Intent

The Oregon Department of Transportation, Transportation Development Branch is seeking proposals from qualified consultants to assist in developing and implementing Oregon's Intermodal Facilities and Systems Management System (IMS). The requested services include a statewide IMS and Freight Element of the Regional Transportation Plan. Consultants are being sought for the following work elements:

- A) identifying perceived intermodal problems and needs.
- B) developing a database structure and performance measures, and collecting the necessary data.
- C) identifying strategies and actions for improving intermodal transportation movements.

Both ODOT and Metro are providing funds for the proposed work. Metro funding will be administered through the Port of Portland. Because there are two funding sources, there will be two contracts with the same consultant. The initial value of the two contracts will not exceed \$250,000. The initial ODOT contract may be amended up to a maximum of \$70,000 to conduct surveys.

A pre-proposal meeting will be held at 1:30 p.m. on October 14, 1994 in the Employment Department Auditorium, 875 Union Street NE, Salem, Oregon. Consultants are encouraged, but not required, to attend.

The assigned DBE participation goal for this project is 12 percent. The assigned goal shall apply to amendments or extensions of the contracts.

If you are interested in being considered, a Request for Proposals can be obtained by calling or writing Program Services, 309 Transportation Building, 355 Capitol Street NE, Salem, OR 97310; telephone (503) 986-3400.

Statements of Proposals are due no later than 5:00 p.m. on Monday, October 24, 1994.

Request For Bids
