**Risk Manager**

The Port of Portland has an immediate opening for a Programmer Analyst I in the Information Technology Division to perform functions related to computer program development, implementation, and maintenance.

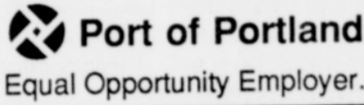

The successful candidate will:

- Manage programs to identify risks which may cause accidental loss to the Port.
- Maintain close communication with management of Aviation, Marine, Ship Yard, and administrative departments concerning risk potential.
- Advise management on risk assumption, risk transfer, and loss control measures.
- Manage the self-insured and insured claims administration programs for all property, liability, marine and workers' compensation claims, including investigation of losses, negotiation of claim settlements, litigation, and proper record keeping and reporting.
- Develop cost of risk and risk/premium allocation programs.
- Develop criteria for selection of the insurance broker(s) of record and participate in that selection.
- Review and approve all Port contracts and leases for adequacy of insurance requirements and assessment of risk potential.
- Assist in setting strategic direction.

**Preferred Education and Experience:**

- Education or work experience equivalent to a degree with emphasis on risk management or general property/casualty/marine underwriting.
- Certified property and casualty underwriter and/or associate in risk management designation.
- Demonstrated, successful performance in a risk management position providing exposure to supervision, financial, and insurance management.
- Demonstrated performance in the management of: self-insured workers' compensation and property/casualty claims programs; risk analysis/contract review; loss control and safety program; and, risk management information systems.
- Knowledge of Longshore and Harborworkers' Compensation, Oregon Workers' Compensation, and Jones Acts.
- Hands-on management or consulting experience in risk management in the public sector.
- Understanding of risk management issues associated with marine and aviation.
- Experience managing owner controlled insurance programs.
- Knowledge of emergency preparedness and disaster responses.

If interested and qualified apply in person at the Port of Portland Employment office, 700 NE Multnomah, 14th Floor.
