## POSSIBLE PERILS INVOLVED IN PURCHASING ROSE BOWL TICKETS

Attorney General Theodore R. Kulongoski warned University of Oregon football fans about the possible perils involved in purchasing trip packages and game tickets to attend the Rose Bowl in Pasadena, California on January 2.

"We all are excited and proud that the University of Oregon is playing in the Rose Bowl," Kulongoski said. "But in our excitement, we can't let our emotions get the better of us. Travel packages including sales of game tickets need to be thoroughly researched to ensure that tour operators and merchants will be able to deliver promised services."

Fans should expect to receive numerous offers for Rose Bowl travel

packages over the phone, through the mail and in advertisements in the media, Kulongoski said. While most of these offers are legitimate, some are fraudulent operations with neither the intent or ability to make necessary travel arrangements.

After selecting a travel agent, consumers should stay in close communication with them and, if time permits, obtain all components of the package, including tickets, before leaving for the event. Consumers working with out-of-state companies should take extra precautions by asking out-of-state companies for photo-copies of game tickets before purchasing them.

**PRO SOCCER IS COMING BACK TO PORTLAND**

The Portland Firebirds professional men's outdoor soccer club will begin play in Portland in April 1995. The Firebirds are a member of the United States Interregional Soccer League, a nationwide league with 72 teams, which is comparable in quality to AAA Baseball. The teams in the northwest division of the USISL should include Tacoma, Salem, Yakima, Portland and possibly other clubs.

Soccer is growing in popularity in the United States as evidenced by the recent World Cup and is a sport that exemplifies agility and grace rather than size and strength. The Firebirds' players will be ambassadors for Portland, for soccer, for the

club and will be role models for young people.

The Portland Firebirds are committed to excellence in promoting quality family entertainment and seek to develop a long term relationship with the community. The team will be a community soccer resource and will give the region's best players a chance to begin their professional soccer careers. A percentage of profits from club operations will benefit Amnesty International. The Portland Firebirds can be e-mailed via "PDXBIRDS" on America On Line and faxed at 503-236-1616.

More information, including location and dates of games, will be forthcoming.

## P.S.U. CLOSE BUT NO CIGAR

BY DAN BELL

In a game that could have been a win, that should have been a win, albeit come from behind. The Portland State Vikings let penalties and turnovers be their undoing and let this one slip away.

Second ranked Texas A-M Kingsville was in trouble in the fourth quarter but had enough defense to hold onto a 16-21 win in Kingsville.

This six year rivalry has been built up to be one of the premiere competitions in NCAA Division II.

"I think two of the best Division II teams in the country played here today" P.S.U. head coach Tim Walsh said. "But now only one of them has a chance to prove it."

That will the Javelinas (11-1) who claimed the West Region and advanced to a semifinal home game this Saturday against Indiana PA. The memories of this one will leave haunting visions as the Vikings were able to amass 470-325 total yards advantage

but came up short on the score board. P.S.U. also had ten minute advantage in time of possession.

"The penalties killed us" Walsh said. "Technique is part of execution and we just had some short comings there today."

Portland State had three turnovers and 147 yard in penalties. Most of them holding penalties trying to protect quarter back Kyle Allen in a bid to come from behind. He almost pulled it off.

The Javelinas took a 7-0 lead with 4:40 left in the first quarter on Dexter Deese's one yard plunge after Joe Menchacas 19 yard pass to Glenard Burkes set-up the score.

The Vikings reached the Javelinas 37 only to have a holding penalty thwart their efforts.

The Javelinas stretched their lead to 14 midway through the second quarter. Covering 80 yards with Wesley Whiten crashing over from the one.

The Vikings came back though

with another promising drive that too was compromised by a holding penalty. However Jeff Crowell was able to make a 44 yard field goal. So the half-time score was 14-3.

In the third quarter Deese ran for an 11 yard TD with 4:39 remaining in the third quarter the touchdown was set-up by Scott Watkins 64 yard run on a draw play.

P.S.U. scored its first touchdown on a 11 yard pass to Kyle Crowston from Kyle Allen after drive 91 yards on 19 plays. But the two point conversion failed.

Shortly there after the Viking defense forced a Texas A.M. punt.

P.S.U. moved the ball 80 yards to the Javelinas 13 yard line. There Allen threw four consecutive incompletions. Portland State was able to put one more drive together for 80 yards. This drive culminated in 5 yard touchdown pass to Kyle Holley. Crowell added the conversion.

But by now time had run out and there was only 42 seconds remaining in the game. They tried an onside side kick but it failed and with it came an end to Portland State University's 94 football season.
