## Request For Information

The State Of Oregon is seeking improvements in the way advertisements are placed in newspapers and other mediums in order to inform the public and targeted audiences of State Job Opportunities, Acquisition Of Products, Materials, Goods, and Services.

The primary focus is on improving the method of placing classified or display advertising in publications that will provide the state with the best exposure at a competitive price and with the greatest efficiency in preparing, placing and processing the paperwork.

The State proposes to use this information to produce a "Request For Proposal" (RFP) to obtain the services of an advertising broker to serve all State Agencies.

Information/capabilities to be supplied by the interested party should include: areas of experience/expertise in the different types of media; geographic coverage; ability to provide service to the various types of agencies within the State; definition of the interface between the State and your organization for the processing of Advertising/Marketing Information; The Rate Structure for the Various Types of Services; and Information on the latest innovations in Advertising/Marketing.

Interested Parties May Request Further Information By Calling:

Larry Daimler, Contracts Officer  
Senior And Disabled Services Division  
500 Summer Street NE, 3rd Floor  
Salem, Oregon 97310-1015  
(503) 945-6940

Responses must be received no later than 5:00 P.M., January 5, 1995.

In compliance with the 1990 Americans with Disabilities Act. The RFI is available in audio or large print format.

**Kids have a lot of energy. Some of them need it just to breathe.**

Does your child cough a lot? Is he often short of breath? Or does he wheeze a lot, especially at night or after running? If so, see a doctor. Your child might have asthma. And he shouldn't be using his energy just to catch his breath. He needs all he has just to be a kid.

**Breathe easier. Ask your doctor if it's asthma.**
