

Dr. Martin Luther King

"Dr. King's life work was to guarantee all Americans equality of treatment under the law, equality of opportunity economically and socially, and above all that

people be judged for what they are and not on their outward appearances. We must honor Dr. King's memory by continuing this fight which is not yet won."

Senator Bob Packwood

What begins with a great idea sometimes takes a dream to see it through. We're proud to honor the man who gave Americans, both black and white, a share of his dream.
