

# BLACK HISTORY

The Portland Observer

*A Struggle That Lasted 70 Years*

African American women join forces for equality. In a struggle that lasted more than 70 years, generations of American women fought for the right to vote. In addition to risking the scorn of family and friends, crusaders faced imprisonment, riots and entrenched opposition from male politicians, female anti-suffrage groups and the liquor industry.

## Education Breaks Prejudice

"Through education we seek to change attitudes; through legislation and court orders we seek to regulate behavior. Through education we seek to change internal feelings (prejudice, hate, etc.); through legislation and court orders we seek to control the external efforts of those feelings. Through education we seek to break down spiritual barriers to integration; through legislation and court orders we seek to break down the physical barriers to integration. One method is not a substitute for the other, but a meaningful and necessary supplement. Anyone who starts out with the conviction that the road to racial justice is only one lane wide will inevitably create a traffic jam and make the journey infinitely longer." - Martin Luther King Jr.
