Advertisement For Bids The Port of Portland

Terminal 6
Cargo Distribution Center
Modifications for Maintenance Shop

Sealed bids for the Terminal 6, Cargo Distribution System, Modifications for Maintenance Shop, will be received at the office of the Manager, Contracts and Procurement, of The Port of Portland, 700 N.E. Multnomah Street, 15th floor, Portland, Oregon, (503) 731-7593 (mailing address: Post Office Box 3529, Portland, Oregon, 97208) until, but not after, 2 p.m., March 29, 1995, and thereafter publicly opened and read.

Description of Work:

Remodeling approximately 21,000 square feet of an existing 202,000 square foot Cargo Distribution Center warehouse. The remodeled space is for maintenance shops including tire repair, a welding shop, chassis repair, and a supporting office, a lunch room, a locker room, and rest room facilities. The project also includes construction of a container repair dock attached to one side of the building, access ramps and associated grading, paving, and other times considered incidental to the work.

The Port of Portland is committed to providing equal opportunities to State of Oregon certified Disadvantaged Business Enterprises (DBEs) in contracting activities. The DBE participation target for this project is 10 percent. For this reason, the Port is requesting bidders' good faith efforts as defined in ORS 200-045 (3) in achieving increased DBE participation. If they are successful in securing DBE participation, the Port is requiring bidders to complete and submit, with their bids, a Statement of Intent form included in the bid documents.

The Port Contracts and Procurement office has DBE vendor profiles available which will be supplied to prime contractors upon request. The profiles identify pertinent vendor data which may assist prime contractors in providing subcontracting and supplier opportunities to DBEs in specific areas as identified by the Port.

A prebid conference will be held on Monday, March 20, 1995, at 2:00 p.m. in the Terminal 6 Administration Building to discuss all phases of the work.

Please direct technical questions to the Project Engineer, Frank Barrero, (503) 731-7350.

Bids must be on the bid form which will be provided to prospective bidders and must be accompanied by a certified or cashier's check drawn on a United States bank or a bid bond payable to The Port of Portland in an amount equal to at least 10 percent of the total amount bid.

Prequalification is not required for this work.

The drawings and the contract manual may be examined at Port offices. Copies may be obtained by prospective bidders at no cost from Contracts and Procurement (address above).

No bid will be received or considered unless it contains a statement by the bidder as a part of the bid that the provisions of ORS 279.350 (regarding prevailing wage rates) are to be complied with.

No bid will be received or considered unless the bidder is registered with the State of Oregon Construction Contractors Board, pursuant to ORS 701.055 (1) prior to submitting a bid. (reference Articles 10, 12, and 13 in the Instructions to Bidders.)

A license for asbestos work under ORS 468A.720 is not required for this work.

Bidders are required to state whether or not the bidder is a resident bidder, as defined in ORS 279.029. (Reference Article 3 in the Instructions to Bidders.)

Bids may be rejected if not in compliance with bidding procedures and requirements. Any or all bids may be rejected if in the public interest to do so.
