Oregon Department of Energy Request For Proposals

Technicians for Energy Systems Assessments,
Project Commissioning, Training & Workshops
Deadline: June 9, 1995

The Oregon Department of Energy invites proposals from firms and individuals qualified to provide workshops and on-site energy systems assessments, project commissioning, and training to public sector building operators. The workshops will provide the operators with a better understanding of the energy using and control systems in their buildings and will help reduce energy use and costs through improved operation and maintenance practices. The site visits will assess the buildings' energy using systems, training needs of maintenance staff, and performance of newly installed energy using systems. The work requires travel throughout the state. The work is scheduled to begin in August 1995 and end in June 1997, contingent on future funding approval.

The contract(s) resulting from this RFP will be 100 percent funded by Bonneville Power Administration and the US Department of Energy.

To obtain a copy of the RFP, call Jan Simmons, 503-378-6968 or toll-free in Oregon 1-800-221-8035. **No late proposals will be accepted.**
