**Albina Youth
Opportunity School, INC
Memorandum**

To: Parents, Guardians, Students
To: High School Placement Professionals
From: Albina Youth Opportunity School (AYOS)
Subject: 1995 - 1996 Enrollment Procedures

- Several forms must be signed and/or completed prior to enrollment in AYOS. To receive an AYOS enrollment packet, prospective and returning students and their parents/guardians should do the following between July 1st and September 4th:
- 1 - Call AYOS at 288-5813.
 - 2 - Leave a message with names, address AND phone number on AYOS Executive Director, Rance Spruill's voice mail. (203-9618)
 - 3 - Students, Parent/Guardians attend the MANDATORY enrollment meeting at AYOS on September 5th at 9 am. Bring a current transcript (new students only), and any other pertinent information.
 - 4 - Also, on September 5th schedule an individual intake interview with AYOS counselor, Faith Love.
 - 5 - Attend the intake interview as scheduled. Parent/guardians must attend this interview.

PLEASE BE ON TIME.

Placement at AYOS is limited. Enrollment will be on a first come first served basis. Students who do not attend the September 5th enrollment and intake interview are not guaranteed placement.

**Opportunities Abound in
Engineering and Technology Careers**

"My PCC degree got me in the door."
Scott Hanselman, PCC graduate

There's an excellent employment outlook for engineers and technicians. PCC can get you started! Select from five program choices to best meet your goals.

Mechanical Engineering Technology

Help engineers plan, design, manufacture and inspect machines and machine tools, or work with building design, HVAC and quality control systems. Graduates can go on for a four-year technology degree at OIT.

Civil Engineering Technology

Help engineers plan, design and oversee construction projects, or work in environmental protection, transportation or land development. PCC degree transfers to OIT in Klamath Falls.

Electronic Engineering Technology

Qualify for work in circuits and system testing and modification, product development, prototype construction. Option of transfer to OIT bachelor's program in Portland.

Computer Software Engineering Technology

Graduates work in software and hardware development companies or go on for a bachelor's degree.

Engineering Transfer Program

PCC is a great place to start on the path toward becoming an engineer. Program completion fulfills two years requirements for PSU, OSU and Univ. of Portland degrees.
