Career Opportunities

For Chemical-Dependency Professionals ...

The Corporation: CODA, Inc., a private non-profit corporation, has pioneered comprehensive addiction treatment services to a diverse and complex population throughout Northwest Oregon. Operating from one large outpatient site and three residential sites (which also provide child development and limited outpatient services), our services include intensive drug-free outpatient, methodone maintenance, short- and long-term residential, and detoxification. Our client population is extremely large and diverse. We are a leader in designing services for pregnant women, women with young children, and to families.

With our range of services, locations, and client profiles, CODA offers a challenging and multifaceted environment in which chemical dependency professionals can grow and advance. CODA further encourages professional advancement with an energetic training program consisting of monthly in-service events, frequent special events, and cash and paid-time allowance for off-premises training.

Recent and continuing expansion has created an exceptional range of career opportunities. Dedicated chemical-dependency professionals are encouraged to apply. CODA is currently recruiting for the following positions:

Oregon Department of Environmental Quality Request For Proposal (RFP)

DEQ Tax Credit Technical Reviewer(s)
Pollution Control Facilities Tax Credit Program
The Oregon Department of Environmental Quality (DEQ) invites qualified firms or individuals to submit a proposal to serve as *Tax Credit Technical Reviewer(s)* for the Pollution Control Tax Credit program. DEQ expects to select three or more individual proposals or one proposal which identifies several individuals within a firm. The current contract for this service expires on December 31, 1995. The individuals must have financial and engineering level experience with facilities that prevent air, water, noise or hazardous waste pollution or utilize solid waste, hazardous wastes, used oil and reclaimed plastic products. The Technical Reviewer ensures that a facility qualifies for certification as a pollution control facility.

There will be an informational Meeting on September 15, 1995 at 1:00 PM in Room 3A of the Department of Environmental Quality, 811 SW Sixth Avenue, Portland, OR 97204. Proposals are due September 29, 1995 and the term of the contract is from January 1, 1996 through June 30, 1997.

A copy of the RFP is available from Maggie Vandehey, Municipal Finance Specialist WQ:WF, Department of Environmental Quality, 811 SW Sixth Avenue, Portland, OR 97204, telephone (503) 229-6878. This RFP is available in alternate formats (e.g. large print, Braille) upon request. To obtain an alternate format, please contact Ed Sale in DEQ Public Affairs at (503) 229-5766. People with hearing impairment may call DEQ's TTY number at (503) 229-6993.

Bid Notice

Northeast Oregon Housing Authority will accept sealed bids until 1:00 PM September 25, 1995, at which time they will be publicly opened. The construction will consist of a 955 sqft addition of classrooms and reference areas and an enclosed attic area of approximately 470 sqft over an existing roof. The project is located in La Grande, Oregon, at the La Grande Elderly Complex. Interested contractors may obtain bidding information from Pinnacle Architecture, 141 SE Third Street, Bend, OR 97702, or Steve McKay, NOHA, P.O. Box 3357, La Grande, OR 97850, or by calling (503-963-5360) ext. #30.

Invitation To Bid

Sealed proposals for furnishing all materials, labor and equipment for the following described work will be received by the City of La Center up until 3 p.m. September 15, 1995. At this time the sealed bids will be publicly opened and read. A contract will be awarded or all bids rejected within 60 days after the bid opening.

PROJECT DESCRIPTION

This project includes the following work:

Asphalt paving on parking lot and pathways at the City of La Center Community Park, 1000 East 4th Street. Concrete sidewalks at the City of La Center Community Park, 1000 East 4th Street.

The issuing office for Contract Documents is the City of La Center, 214 East 4th Street, La Center, Wa., 360-263-2782. Contract Documents including drawings will be issued upon request of the charge of \$25. Full refund of deposits for the documents will be made to all General Contractors submitting a Bidder's Proposal. No refund will be made to other planholders. Bid documents will be available at noon, Sept. 5, 1995, at the City Clerk's office, 214 E. 4th Street.

All proposals must be submitted on the regular form furnished with the specifications, and each must be accompanied by a certified check or bidder's bond made payable to the City of La Center in an amount not less than five per cent (5%) of the total bid.

The City of La Center reserves the right to reject any or all bids, waive informalities, or to accept that bid which appears to serve the best interest of the City of La Center.

This project is financed through the Community Development Block Grant program with funds obtained from the U.S. Department of Housing and Urban Development. The contract will be subject to regulations of the Departments of Labor and Housing and Urban Development.

Attention is called to Federal provisions for Equal Opportunity, HUD Section 3 requirements, and the minimum wages as set forth in the contract documents.

Oregon Department of Environmental Quality Request For Proposal (RFP)

DEQ Tax Credit Coordinator
Pollution Control Facilities Tax Credit Program

The Oregon Department of Environmental Quality (DEQ) invites qualified firms or individuals to submit a proposal to serve as the *DEQ Tax Credit Coordinator* for the Pollution Control Facilities Tax Credit Program. The current contract for this service expires on December 31, 1995. DEQ expects to contract with a firm or an individual that has experience with pollution control tax credits and the operation of financing programs along with strong writing and public presentation skills.

There will be an informational Meeting on September 15, 1995 at 10:00 AM in room 3A of the Department of Environmental Quality, 811 SW Sixth Avenue, Portland, OR 97204. Proposals are due September 29, 1995 and the term of the contract is from January 1, 1996 through June 30, 1997.

A copy of the RFP is available from Maggie Vandehey, Municipal Finance Specialist WQ:WF, Department of Environmental Quality, 811 SW 6th, Portland, OR 97204, telephone (503) 229-6878. This RFP is available in alternate formats (e.g. large print, Braille) upon request. To obtain an alternate format, please contact Ed Sale in DEQ Public Affairs at (503) 229-5766. People with hearing impairment may call DEQ's TTY number at (503) 229-6993.

Request For Qualifications Construction Manager/ General Contractor

Notice is hereby given that Oregon State University (OSU) is seeking to engage a Construction Manager/General Contractor to provide services for the Industrial Building Reconstruction. The project will consist of reconstruction of approximately 20,000 gsf to the existing building, renovation of approximately 4,000 gsf of the existing building, and extensive site improvements.

The Request for Qualifications (RFQ) may be obtained from Facilities Services, Oregon State University, 100 Adams Hall, Corvallis Oregon 97331-2001, (503) 737-4625.

Firms interested in this commission shall submit eight (8) copies of their completed RFQ no later than 5:00 PM local time, September 14, 1995. Submittals received after that date and time will not be considered. Mailed copies should be addressed to: Jerry Watson, Facilities Services, Oregon State University, 100 Adams Hall, Corvallis Oregon 97331-2001. Hand deliveries to: Jerry Watson, Facilities Services, Oregon State University, Adams Hall, 606 SW 15th Street, Corvallis Oregon 97331-2001.

Questions concerning this request should be directed to Jerry Watson, (503) 737-4625.

City Of Washougal, Washington Engineering Services

Proposals due 5:00 p.m.
October 6, 1995

Request For Proposals

Notice is hereby given that the City of Washougal is requesting proposals to provide Engineering Services to develop plans and specifications for the reconstruction of "H" Street in Washougal. The Project includes surveying, curbs, sidewalks, drainage, road design, preparation of bidding documents, bid review and services during construction.

Interested firms or individuals are invited to participate and may obtain a copy of the RFP by calling the Public Works Department at 360-835-8501.

Firms or individuals interested in providing these engineering services must submit response to the RFP to Washougal City Hall/Public Works Department by 5:00 p.m. October 6, 1995.

The City of Washougal reserves the right to reject any and all proposals.

Request For Proposals * 95-25

Engineering/Design Consultant Services
Columbia Slough Trail

The Portland Development Commission (Commission) is soliciting proposals from engineering/design teams to design a 6,100 lineal foot segment of the Columbia Slough Trail. The Columbia Slough trail will be a six-foot wide bark chip trail for pedestrians only. When complete, the trail will extend approximately six miles from NE 82nd Avenue to the eastern City limits at NE 185th Avenue along the Columbia Slough.

The successful consultant team shall prepare the design plans and construction documents for the trail.

The proposals shall be submitted in accordance with the proposal format outlined in the Request for Proposal (RFP). The Scope of Work and additional conditions are described in greater detail in the RFP packet available beginning Friday, September 1, 1995 from:

Connie Lively
Portland Development Commission
1120 SW Fifth Avenue, Suite 1100
Portland, OR 97204
(503) 823-3349

6 copies of the proposal must be received by Portland Development Commission no later than: 12:00 pm Noon Friday, September 22, 1995

The Portland Development Commission is committed to acting affirmatively to encourage and facilitate the participation of Emerging Small Businesses (ESB), Minority Business Enterprises (MBE), and Women Business Enterprises (WBE) in Commission projects and operations.

The successful contractor must be certified by the City of Portland as an Equal Opportunity/Affirmative Action Employer, be licensed to do business in the City of Portland, and must comply with the established goals in this project as contained in the RFP.
