"BUY AMERICA" requirements apply on Federal Aid Projects.

Where the Department has assigned a DBE participation goal on a contractor and subcontractor must comply with the commercially useful function (CUF) provisions which require that the DBE actually perform, manage, and supervise all assigned responsibilities. Where the Department has assigned on-the-job training (OJT) participation goals, the contractor must comply with the relevant special provision requirements.

Additionally, the contractor and subcontractor are subject to contract wage and equal employment-opportunity (EEO) work force composition requirements contained in the affirmative action special provisions of each contract.

No proposal will be received or considered by the public contracting agency unless the proposal contains a statement by the bidder as a part of this proposal that provisions of ORS 279.350 or 40 USC 276a shall be complied with.

The policy of the Oregon Department of Transportation is to provide equal opportunity for participation in its contracting activities to all persons and firms in compliance with applicable Federal and State laws, rules and regulations. The Department of Transportation hereby notifies all bidders that it will affirmatively insure that DBE will be afforded full opportunity to submit proposals in response to invitations to participate in any contract entered into pursuant to this advertisement. In consideration for an award, persons or firms will not be discriminated against because of race, age, color, sex, religion, national origin, mental or physical handicap, political affiliation, or marital status.

Plans and specifications may be inspected at this time at the Transportation Building in Salem; AGC Offices in Seattle and Spokane; Builders Exchange Cooperative, Northeast Business Center, Daily Journal of Commerce, Portland; Oregon Contractor Plan Center, Clackamas; and Eugene Builders Exchange.

All Projects Have Minimum Wage Rate Requirements Included In The Special Provisions. Federally-Funded Projects Are Subject To Minimum Wage Rates Of The Davis-Bacon Act. State-Funded Projects Are Subject To Oregon Wage Rates.

The Department of Transportation may reject any proposal not in compliance with all prescribed public bidding procedures and requirements, and may reject for good cause any or all proposals upon a finding of the Department of Transportation that it is in the public interest to do so.
