Confined to an Alabama jail cell for eight days in April 1963, King composed one of his most passionate arguments for nonviolent resistance, "Letter from Birmingham Jail." "Any law that degrades human personality is unjust," he wrote in the essay. "All segregation statutes are unjust because segregation distorts the soul and damages the personality."

The membership of Local #290 Plumbers, Steamfitters and Marine Fitters would like to salute Dr. Martin Luther King on his 67th Birthday.

Contributing to Dr. King's vision of equality through education, training and employment opportunities for all.

Promoting individual self-sufficiency and a skilled workforce by eliminating barriers to productive employment.
