Oregon Department Of Energy Request for Proposals

State Building Commissioning Project Deadline: March 22, 1996

The Oregon Department of Energy invites proposals from qualified individuals and firms to evaluate current building commissioning activities in state buildings, and to develop a program to support and enhance building commissioning in state buildings. No actual building commissioning work will be done under this project, except as necessary for training and demonstration.

The work will involve evaluation of current efforts, program development, program delivery, planning and project documentation. Interested parties should have experience with building commissioning, with program development and delivery, and with public agencies.

The contract to be awarded under this RFP will be for an initial period of fourteen months, but may be amended or extended to accommodate changes made during development and implementation of the program, including, but not limited to, increased funding for the program.

The contract to be awarded under this RFP will be partially funded by the Bonneville Power Administration.

Proposals must be received at the Oregon Department of Energy by 5 p.m., Friday, March 2, 1996. **No Late Proposals Will be Accepted.**

For a complete copy of the RFP, contact Jan Simmons, 503-378-6968, or toll-free in Oregon 800-221-8035, Oregon Department of Energy, 625 Marion Street NE Salem, OR 97310.
