

CLASSIFIEDS/BIDS

Advertisement For Professional Services

The University of Oregon is seeking inquiries from qualified architectural firms interested in providing design services for an Indoor Practice Facility, a Soccer Field and spectator area, and additional practice fields near Autzen Stadium in Eugene. The selection and retention of the consultant will be accomplished in accordance with the Oregon State Board of Higher Education's Administrative Rule OAR 580-50-020.

Briefly, this project is envisioned as a 130,000 square-foot indoor practice facility for intercollegiate athletics. In addition to the indoor field, the building will contain a lobby/control room, kitchen, training room, team and public restrooms, an equipment storage room, a field maintenance storage room, and space for custodial, mechanical, and electrical services. A natural grass soccer field with spectator viewing areas, additional grass practice fields, and other site development will be included as a part of this project.

Firms interested in obtaining more information related to the project and the application and selection procedures should phone or write to:

University Planning Office
1276 University of Oregon
Eugene, OR 97403-1276
Telephone: (541) 346-5562

Completed proposals must be received by 4:30 P.M. PDT, Friday, June 14, 1996.

The University of Oregon is an Affirmative Action/Equal Opportunity institution committed to cultural diversity and compliance with the Americans with Disabilities Act.

ASSEMBLER

Our Customers Pay US to Think Small

Electronic Assemblers
At Precision Interconnect we make the world's most advanced electronic micro-miniature cables, connectors, and interconnect systems. Our modern, clean, and comfortable facility is located in Tigard adjacent to the Tigard Park-and-Ride. We are currently accepting applications for experienced and entry level assemblers. These positions require the ability to work with small components and fine wire, strip insulation, solder, and apply written instructions and safety guidelines.

Entry level assemblers receive paid training, and after a short introductory period can receive regular salary increases and benefits. Experienced assemblers receive training and may qualify immediately for full benefits. Wages vary depending on experience from \$6.15 to over \$7.23.

Benefits include health, dental and vision coverage, profit sharing, 401(k) with company matching, educational reimbursement, life and disability insurance, generous vacation benefits, and more. We support a drug, alcohol and tobacco free work environment. All offers of employment are contingent on a satisfactory pre-employment drug screen. To apply stop into our offices at 16640 S.W. 72nd Avenue, or fax your resume and a cover letter to (503) 603-4771, or call our jobline at (503) 684-4684.

MUST MENTION OR REFERENCE #025 IN YOUR RESPONSE.

Precision Interconnect is an MRPII Class A and ISO9001 certified facility, and is an Equal Opportunity Employer dedicated to work force diversity.
