

Ben & Jerry's will Celebrate Grand Opening with \$1.00 Cones

Oregon's first Ben & Jerry's Ice Cream and Frozen Yogurt scoop shop, located at the corner of SE 36th St. and Hawthorne Blvd., will be celebrating its grand opening on Sunday, July 21, 1996, from noon to 6:00 p.m., with a day of music, festivities, fun, and, of course, ice cream for the entire family. During the six-hour event, Ben & Jerry's will be selling \$1.00 ice cream cones and will be donating all proceeds to three non-profit organizations: The Sisters of the Road Cafe, a restaurant located in the heart of the Burnside community that offers low-cost meals and job training to low-income and homeless residents; Harry's Mother, a runaway shelter located in Southeast Portland that serves 4,500 youth each year; and to local relief efforts within Tillamook

County that have been set up for family farmers who were hit so hard during the floods of this past winter. In addition to drawing attention to local and regional causes, Ben & Jerry's grand opening event will feature a variety of live music and entertainment throughout the day. Headlining the music will be a well-known Portland-based band, The Tree Frogs, who will close out the day.

"Our grand opening event is a way for us to give back to the community that supports us," said Tim Watters, co-owner and manager of Ben & Jerry's Ice Cream and Frozen Yogurt in Portland. "We're excited about being in Portland and want to share that excitement through this grand opening celebration," added Kathy White, co-owner and man-

ager of Portland's Ben & Jerry's. Portland's Ben & Jerry's Ice Cream and Frozen Yogurt is a licensed franchised scoop shop of Ben & Jerry's Homemade, Inc., Vermont's Finest All Natural Ice Cream and Frozen Yogurt, which was founded in 1978 in a renovated gas station in Burlington, Vermont, by childhood friends Ben Cohen and Jerry Greenfield. The company, which is known for its innovative flavors made from fresh Vermont milk and cream, currently distributes ice cream, frozen yogurt, and sorbet products in all 50 states and has over 100 franchised scoop shops in 20 states. Ben & Jerry's international operations include a joint venture (Iceverks) in Karelia, Russia; licensees in Israel and Canada; and distribution in the United Kingdom.

Dunbar Development Corporation To Honor Core's Celes King, III

uncle, the late James Cullen Nelson, in 1936. It became the anchor business along Central Avenue in South Central Los Angeles during the 1930's, 1940's and 1950's.

Billed the "Historic Renaissance of Central Avenue" the honoring of King will kick off the Central Avenue Jazz Festival beginning on Saturday, July 27 next to the hotel at 42nd Street and Central Avenue. Among the artists to perform will be Buddy Collette and Patrice Rushen. King has been in the forefront of the civil rights struggle in Los Angeles for more than a generation. "There are no African American leaders in Los Angeles that have not been touched by his influence," writes the Los Angeles Black Pages. Actively running his successful bail bond business, he has always found time for community-related activities.

Born in Chicago, King came to Los Angeles shortly after his father began managing the Dunbar Hotel. After graduating from Manual Arts High School, King joined the Air

Force and became a member of the famed Tuskegee Airmen during World War II. Upon his return home, King helped build the family business and expanded the family's real estate interests. In 1951, King started his bail bond business and later became president of the most prominent bail bond association, both locally and nationally.

Well educated, King holds a law degree and two masters degrees, one in business and another in urban planning.

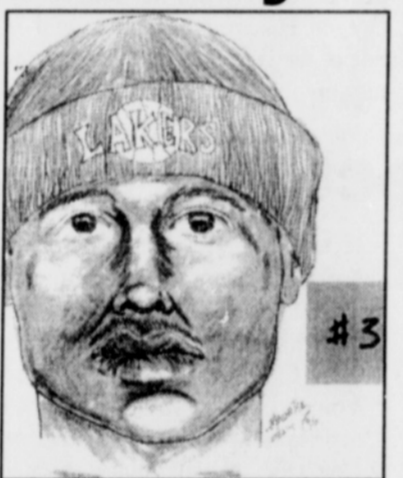

King's community activities include: co-founder of the Brotherhood Crusade, former president of the Los Angeles NAACP; former president of the Los Angeles Human Relations Commission; co-founder, Los Angeles Rumor Control; member, Century Freeway Affirmative Action Committee. In addition, King is a brigadier general in the California State Military Reserve.

King is married to the former Anita Lugo and has four children.

Celes King, III, state chairman of the Congress of Racial Equality of California and a long-time civil rights activist and businessman, will be honored by the Dunbar Economic Development Corporation at Los Angeles' historic Dunbar Hotel on Friday, July 26, 1996, 6 p.m.

King's father, the late Celes King, Jr. managed the world-renowned black-owned hotel for many years. The hotel was purchased by King's

Residential Armed Robbery

Portland Police, in cooperation with Crime Stoppers, are asking for your help in identifying three suspects in a residential armed robbery.

On Wednesday, March 27, 1996, at approximately 7:30 in the evening, three men armed with handguns entered and robbed a home in the 2000 block of NE Highland Street.

Suspect #1 is a male black, 18 to

22 years, 5'11, 200 pounds, with a medium complexion and a large gap between his upper front teeth.

Suspect #2 is a male black, 18 to 22 years, 6'1, 180 pounds, with a medium complexion, a droopy right eyelid, and a two inch "rat tail" in his hair.

Suspect #3 is a male black, 18 to 22 years, 6'0, with a stocky build and

wearing an L.A. Lakers knit cap and parka.

Crime Stoppers is offering a cash reward of up to \$1,000 for information that leads to an arrest in this case, or any unsolved felony crime, and you do not have to give your name. Call Crime Stoppers at 823-HELP.

Pain may be eliminated for millions

(SPECIAL)—A new drug has been approved that is exciting researchers in the treatment of pain. This material has been formulated into a new product known as "Arthur Istitm" and is being called a "Medical Miracle" by some, in the treatment of debilitating conditions such as arthritis, bursitis, rheumatism, painful muscle aches, joint aches, simple backache, bruises, and more. Although the mechanism of action is unclear, experiments indicate that Arthur Istitm relieves pain by first selectively attracting, and then destroying the messenger chemical which carries pain sensations to the brain, thus eliminating pain in the affected area. Arthur Istitm is an odorless, greaseless, non-staining cream and is available immediately without a prescription and is guaranteed to work.

Pavement Quality Engineer

We are seeking applicants with strong problem-solving and communication skills for position in Salem, Oregon. This position has responsibility for monitoring the pavement construction program; and advising, assisting and coordinating between Operations Support and the regions to provide efficient communication, analysis of changes, and field interpretations of contract requirements. Requires a Bachelor's degree in civil or transportation-related Engineering; and four years of professional-level experience in the practice of transportation engineering; OR seven years of engineering experience. Three of the seven years must have been performing professional level engineering duties equivalent to a Transportation Engineer 1. Registration as a Professional Engineer is required. Salary \$3,156-\$4,315 monthly + benefits. Completed application materials must be received by August 9, 1996. Announcement No. OODT6216. Call (503) 986-4030 (TTY 503-986-3854) to request application packet.

Pavement Management Program Coordinator

Oregon Department of Transportation seeks a leader with strong communication skills for a position in Salem, Oregon. You will manage the Pavement Management Group; and ensure pavement information affecting the planning, design, construction operation and maintenance of the state's highway system is properly investigated, interpreted, documented, and considered in the Department's decision-making process. Requires a Bachelor's degree in civil or transportation-related engineering and two years of professional-level experience in the practice of transportation engineering; OR five years of engineering experience. Two of the five years must have been performing professional-level engineering duties. Preference may be given to applicants who are Registered Professional Engineers. Salary \$2,724-\$3,725 monthly + benefits. Completed application materials must be received by August 5, 1996. Announcement No. OODT6211. Call (503) 986-4030 (TTY 503-986-3854) to request application packet.

Transportation Analyst

We have a challenging opportunity for an experienced individual for a position in Salem. Will develop, analyze and maintain large quantities of transportation data for use in transportation and land use models; support solution selection and development, environmental analysis, and design analysis; and gather, organize and present technical data. Requires a Bachelor's degree in civil or transportation-related engineering and one year of professional-level experience in the practice of transportation engineering; OR four years of engineering experience. One of the four years must have been performing professional-level engineering duties. Must have strong communication, computer and analytical skills. Salary \$2,352-\$3,219 monthly + excellent benefits. Completed application materials must be received by August 9, 1996. Announcement No. OODT6219. Call (503) 986-4030 (TTY 503-986-3854) to request application packet.

Workstation Support Consultant (Data Communications Technician 2)

We are seeking an individual to provide technical support and leadership for client/server systems in ROSEBURG. The ideal candidate should have one year of experience which included the setup, operation, maintenance, systems analysis, and trouble-shooting of data communications hardware and software; OR two years of technical training in data communications; OR an Associate's degree or certification in Computer Science and 6 months of experience. Salary \$2,261-\$3,008 monthly + benefits. Completed application materials must be received by August 12, 1996. Announcement No. OODT6217. Call (503) 986-4030 (TTY 503-986-3854) to request application packet.

Structural Drafter

We are seeking a Drafter for a position located in Salem. Will perform drafting in support of the facilities design and structural design teams. Requires an Associate's degree in Engineering Technology from a recognized community college or technical school of engineering and four years of experience directly related to engineering; OR five and one-half years (60 months) of sub-professional engineering experience. A Bachelor's degree in Engineering, Architecture, Geology, Mathematics, or Physics may be substituted for the Associate's Degree in Engineering Technology. Preference may be given to applicants with structural drafting experience. Salary \$1,935-\$2,642 monthly + benefits. Completed application materials must be received by August 5, 1996. Announcement No. OODT6214. Call (503) 986-4030 (TTY 503-986-3854) to request application packet.

Administrative Specialist 2 (Safety & Health Assistant)

We have an exciting opportunity for an experienced individual in the Portland Metro Region. Will assist with the Region's safety and health programs to ensure a safe work environment and compliance with ODOT's safety goals. Requires two years of providing administrative support for a project, program or operation which must have included performing duties such as: research and interpretation of laws, rules or regulations; collection and analysis of data and interpretation of findings; or review and evaluation of projects, processes and operations. Must have strong communication and analytical skills. Salary

\$1,869-\$2,486 monthly + excellent benefits. Completed application materials must be received by August 7, 1996. Announcement No. OODT6201. Call (503) 986-4030 (TTY 503-986-3854) to request application packet.

For other ODOT opportunities call our Recruitment JOBLINE at (503) 986-3847.

OREGON LOTTERY

Work for the Oregon Lottery, recognized as a national leader! We invite applications for the following positions:

Technical Writer

The Technical Writer acts as an information system specialist in the documentation of information system policies, procedures, processes, and programs. Salary is \$2,262 to \$3,309 monthly. Two years of experience equivalent to a computer programmer which included responsibility for documentation of information system projects is required. May substitute a college degree in Computer Science or Programming for one year of experience. Refer to job announcement for specific duties and responsibilities. Applications must be received in the Lottery Office by July 26, 1996.
