Metro extend equal opportunity to all; will not discriminate against any person/firm based on race, color, national origin, sex, sexual orientation, age, religion, physical handicap, political affiliation or marital status; and encourages minority and women-owned businesses to participate in all Metro procurements, projects, or programs.

Notice Of Opportunity For Public Hearing

Notice is hereby given that a public hearing, if so requested by any interested person, will be held by the Tri-County Metropolitan Transportation District of Oregon (Tri-Met) at 3:30 p.m., Wednesday, November 20, 1996, at the Portland Building, 1120 SW 5th Ave., 2nd floor, room C, for the purpose of considering two projects for which federal assistance from the Federal Transit Administration, under U.S.C. §5309, is being sought. Persons requesting that this hearing be convened should contact Tri-Met's Grants Administrator, by telephone at 503/238-4920, or in writing at 4012 SE 17th Ave., Portland, OR, 97202, by Wednesday, November 6, 1996.

The Banfield Communications Retrofit project will make improvements in the communication and control components of the existing MAX System to make them compatible with the Westside Light Rail system. The project includes systems for overview display of train movements; remote shutdown of substations; remote monitoring of ticket vending machines; remote control of powered track switches; and CCTV security surveillance for three elevator stations. Partial funding for this project was approved by FTA in February 1996. FY97 fixed guideway modernization formula funding of \$1,164,940 federal (\$1,456,175 total) will be requested in this grant application. About half of these funds (\$647,373 federal) will be used to complete the Communications Retrofit project. The remainder will be used for purchase of equipment needed for the Banfield system.

The other project under consideration is the replacement of approximately 19 40-ft. Transit buses and seven minibuses used for fixed-route services. Section 5309 bus funding of \$4,962,500 federal (\$6,203,125 total) will be requested for this project. All buses to be replaced are well beyond the retirement age specified by FTA.

No significant displacement of persons, families or businesses will be incurred by the projects. Projects described above are in conformance with comprehensive land use and transportation improvement programs.

In the event a hearing is held, Tri-Met will afford opportunity for interested persons or agencies to be heard with respect to the social, economic, and environmental aspects of the projects.

A person requesting a sign language interpreter shall give Tri-Met at least 48 hours notice of the request by contacting Tri-Met at 238-4952 or TDD 238-5811, Monday through Friday, 8:00 a.m. to 5:00 p.m.

A copy of the grant application and Tri-Met's transit development plan are available for public inspection at the Tri-Met Grants Department, 4th floor, 4012 SE 17th Ave., Portland, Oregon.
