HERE'S WHAT OTHER TOP CELEBRITIES AND SUCCESSFUL PEOPLE SAY ABOUT DIANETICS:

JOHN TRAVOLTA - Actor

"Dianetics put me in to the big time. I always had the ability to be somewhat successful, Dianetics freed me up to the point where something really big could happen, without interference."

CHICK COREA - Jazz Artist

"No 'inner conflicts'. Thanks to Dianetics, I am achieving my goals."

CONNIE LATCH - Management Consultant

"My marriage was headed for divorce. And even though we loved each other, some things had come between us and we didn't know what it was. We tried everything. So just when I was about to file the divorce papers, a close friend or ours insisted, absolutely insisted, that we try Dianetics. And that was when we knew what had come between us. So not only did Dianetics give us the tools to save and rebuild our marriage, but we love each other more today than the day we got married."

KEN GERBINO - Top Investment Counselor

"Dianetics enabled me to realize my potentials and find the success I had always sought."

DOCTOR PAUL JACONELLO

"Dianetics is a definite first step in achievement of sanity, heathy and self-respect."
