City Of Portland

Bureau of Buildings
Development Manual
Proposals Due: 5:00p.m. February 28, 1997
Request For Proposals

The City of Portland, Bureau of Buildings, requests proposals from consulting firms for technical writing, editing and desktop publishing services required to issue a development manual.

A complete description of the project, specific requirements and evaluation criteria for the proposal may be obtained from the Bureau of Buildings, Room 930, 1120 S.W. Fifth Ave., Portland, OR. 97204. (503) 823-7886. Proposals shall be received at that office until 5:00 p.m., February 28, 1997.

An optional pre-proposal meeting will be held to receive questions regarding this request for proposal at 10:00 a.m. February 13, 1997. The meeting will be held at 1120 S.W. Fifth Avenue, Room 930, Portland, OR 97204.

Proposals shall be reviewed by a consultant selection committee in accordance with chapter 5.68 of the City Code. Interviews may be held with the highest rated firms.

Consultants shall be required to conform to the City MBE/WBE and Equal Employment Opportunity Programs. The City of Portland is committed to increasing contracting, subcontracting and employment opportunities for minority and women owned businesses. Consultants are required to evaluate project specifications in endeavoring to maximize use of MBE/WBE firms. Consultants are encouraged to conduct pre-bid conferences and are advised to investigate all potential sources of MBE/WBE participation, including suppliers of material, services and equipment.

Attention is called to Chapter 3.100 of the City of Portland Code relative to certification as an Equal Employment Opportunity Employer. Detail of EEO certification requirements are available from the Bureau of Purchases, Room 1313, 1120 S.W. Fifth Avenue, Portland, OR. 97204, (503) 823-6855.

Employment

When it comes to keeping Oregon healthy, we couldn't care more.

Since 1941, Blue Cross and Blue Shield of Oregon has relied on the efforts of our exceptional workforce to discover innovative routes to superior health care. Solutions like wellness programs, physician-directed care and assistance to uninsurable Oregonians. Our people understand that while quality often has a price, efficiency and intelligent strategies can keep costs to a minimum. If bettering the quality of life in Oregon sounds like a worthwhile pursuit to you, consider our possibilities.

Medical Analyst (Job # 481)

You will process claims on our CAS (Claims Administration System) for our Claims Processing Department, specifically determining payment eligibility under contract guidelines. You must have a High School degree (or equivalent) and at least six months' experience in claims processing. Knowledge of ICD9 and CPT 4 coding is required, as is knowledge of medical terminology and anatomy.

Methods and Procedures Analyst (Job # 478)

You will perform research, analysis, design and implementation of enhancements to our data processing systems. To qualify, you must have a High School diploma (or equivalent) and at least two years' experience in claims processing, systems development or comparable training.

Sr. UNIX Administrator (Job # 480)

You will install, evaluate, administer and support UNIX servers and workstations, as well as develop, standardize and document the configuration, operation and recovery procedures for our Computer System and Technology Group. To qualify, you must have a degree in Computer Science, Mathematics or Information Technology (or equivalent work experience). You must possess at least six years' experience in data processing with at least 4 years' experience in UNIX System Administration.

Computer Operations Specialist (Job # 5012)

Blue Cross and Blue Shield of Oregon HMO has an immediate opening for a Computer Operations Specialist in our Information Systems Department in Salem. To qualify, you must have PC, JCL and operations experience and knowledge of change control. HP operations experience is preferred.

Systems Programmer (Job # 5145)

You will perform installation, testing, maintenance and tuning of the MPE/iX operating system for our managed care processing system. To qualify, you must have a college degree (or equivalent work experience) and a thorough knowledge of MPE/iX operating systems including a minimum of three years' experience in a networked environment.

We offer competitive salaries and benefits package. Pre-employment drug screening is required, and we support a smoke-free work environment. For more information about career opportunities, call our Job Information Line: 1-800-231-1617 or visit our website at <http://www.bcbsco.com>. To apply, please place the position number at the top of your resume or cover letter and submit to: Blue Cross Blue Shield of Oregon HMO, Human Resources, P. O. Box 1271, Portland, OR 97207-1270, TDD # (503) 225-6780. We are strongly committed to equal opportunity in all phases of employment.

Employment

In Oregon, opportunity means great benefits, competitive salaries, and a large variety of careers available state-wide. Currently, openings exist in the following agencies:

OREGON DEPARTMENT OF TRANSPORTATION

Oregon Department of Transportation (ODOT), is known throughout the nation as a progressive government agency and as a leader in team development and performance measures. ODOT is responsible for the coordination of transportation programs between and among all governmental organizations within the state. We have immediate opportunities for the following positions:

Transportation Development Branch Manager (Principal Executive Manager H)

We have an immediate executive level management opportunity to provide a leadership role in managing Oregon's comprehensive, long range transportation planning process. Headquartered in Salem, this key position will bring together Planning, Policy, Research, Advocacy and Modal functions and integrate these diverse functions into a cohesive, well-defined branch with shared vision and goals to recommend high level, complex transportation policies that impact a variety of local and statewide public and private entities. Position has responsibility for a multi-million dollar budget with management oversight for approximately 170 employees. Qualified candidates will possess: Bachelor's degree (preferably in Public Administration or related field) and 8-10 years progressively responsible experience managing multi-faceted programs, including responsibility for personnel management, budget management, and overall program operations. Management experience in transportation issues required. Ideal candidates will have demonstrated skills in building strong relationships with external constituents. 3 additional years of management coursework may substitute for the Bachelor's degree. Graduate level coursework in management may be substituted for up to one year of the required experience. Excellent benefits accompany a negotiable annual salary around \$76K. To apply, DO NOT SEND A RESUME. Call (503) 986-4355 to request the recruitment packet (TTY 503-986-3854 for the hearing impaired). Recruitment closes March 3, 1997. Completed application materials must be received by 5:00 p.m. on the close date. [This ad is a re-print based on an error in job classification, salary and close date printed in last week's ad.] Announcement #OCDD7034.

Principal Contributor 1 (Transportation Plan Manager)

We are seeking a strong leader for a position in Salem. You will guide and monitor the implementation of the Oregon Transportation Plan (OTP) and other transportation goals and objectives. The OTP sets policy direction for all forms of transportation, including aviation, highways, mass transit, pipelines, ports, rails and waterways. Requires two years of experience in management AND a Bachelor's degree in Management, Economics, Planning, or a closely-related field. Three additional years of experience may substitute for the degree; OR an advanced degree in Management. Salary

\$3,054 to \$4,098 monthly plus benefits. Completed application materials must be received by February 21, 1997. Announcement #OCDD7050. Call (503) 986-4030 (TTY 503-986-3854) to request application packet.

Auto Mechanic I

We are seeking two experienced Mechanics for our Motor Pool and Service Station in Salem. Will perform basic preventive maintenance and routine repair work on automobiles, trucks and other motorized equipment used in the field for transportation, hauling, and maintenance purposes. Salary \$1,643 to \$1,789 a month plus benefits. Completed application materials must be received by February 21, 1997. Announcement #OCDD6459. Call (503) 986-4030 (TTY 503-986-3854) to request application packet.

For other ODOT opportunities call our Recruitment JOBLINE at (503) 986-3847.

OREGON STATE POLICE

Communications Systems Analyst 3

The Communications Engineering Section of the Department of Oregon State Police is recruiting to fill an immediate vacancy. The Communications Systems Analyst 3 is responsible for performing design and engineering analysis over a wide variety of non-routine problems arising in connection with the planning, design, and operation of communication equipment, systems, and related facilities. This non-sworn position is located in Salem. Minimum qualifications are three years of technical and engineering experience as a telecommunications technician including testing and design; AND a Bachelor's degree with major coursework (30 quarter or 20 semester hours) in electrical engineering or applied physics, or three more years of qualifying experience; AND possession of FCC general Radio Telephone License or equivalent industrial certification. Salary \$2,471 to \$3,984 monthly. Obtain a State of Oregon application (form PD 100), Announcement No. LE970101, and any required supplements from a local Oregon Employment Department office OR most state agency personnel offices. Send completed application materials to: Human Resource Services Division, Examination Section, 155 Cottage St. NE, Salem, OR 97310-0318. Apply by February 24, 1997 at 5:00 p.m.

OREGON STATE UNIVERSITY Landscape Trades Maintenance Worker- Facilities Services

One year of experience as a groundskeeper or two years experience in any occupation providing knowledge of horticulture and groundskeeping practices and procedures is required. Major duties include: installing irrigation; converting galvanized pipe to PVC pipe; applying pesticides; operating front-end loader, dump truck, leaf sweeper, etc.; working from aerial man-lifts to prune or remove mature trees; and determining monetary value of trees. \$1,320 a month. Contact OSU Department of Human Resources for application materials: 14th & Jefferson, Corvallis, OR 97331-2132, (541) 737-3103, TTY (800) 735-2900. All application materials must be received by closing date of February 14, 1997.

These are just some of the current openings available with the State of Oregon. For additional information, a copy of the State of Oregon Application Form and more complete announcement listings, call the State Jobline (Oregonian Inside Line) (503) 225-5555 #7777, TTY (503) 378-4672, visit your local Employment Department, or log onto our web site at <http://www.das.state.oregon.gov/jobs/>. The State of Oregon and all its divisions are proud to be equal opportunity employers.
