

# CLASSIFIEDS

## CREW MEMBERS AD

DYNAMAC Corporation is a research and consulting firm providing government and industry with technical services in environmental science, engineering and biotechnology. We are currently seeking applicants to fill crew member positions (Reference # COR1-002-15/0397) to participate in a team-oriented field-survey project that will assess the status of streams throughout Oregon. These are temporary, full-time positions beginning mid-June 1997 and ending approximately September 19, 1997. The successful applicants will participate in the stream survey as part of a field crew of 3-4 individuals.

**Minimum Qualifications** are experience in fisheries, wildlife, biological science, natural resources management or a similar discipline; ability to identify fish and amphibians using appropriate keys; ability to interpret topographical maps and use a compass; excellent written and oral communication skills; excellent interpersonal skills; willingness to work extended hours on a flexible schedule, and to travel extensively throughout Oregon; valid drivers license and experience with 4X4 vehicles on rough roads. **Previous experience** in organizing, and/or coordinating field stream surveys; using electroshockers; white water rafting; and operation of geographical positioning systems (GPS) will be a plus. Physical demands will include the ability to carry a heavy backpack over rough terrain for extended periods; and to work in and around Wadeable and non-wadeable streams. Lodging, meal per diem and overtime will be provided.

Send a cover letter specifically addressing how you meet each of the minimum qualifications and previous experience; a resume, and the names, addresses and phone numbers of three professional references by March 31, 1997, to Dynamac Corporation, 200 SW 35th Street Corvallis, OR 97333.

## CREW CHIEFS AD

Dynamac Corporation is a research and consulting firm providing government and industry with technical services in environmental science, engineering and biotechnology. We are currently seeking applicants (Reference #COR1-002-16/0397) to participate in a team-oriented field-survey project that will assess the status of streams throughout Oregon. These are temporary, full-time positions beginning mid-June 1997 and ending approximately September 19, 1997. The successful applicants will participate in the stream survey by directing a field crew of 3-4 individuals; help train field crew members; work with topographical maps; and write weekly summary reports.

**Minimum qualifications** are course work in fisheries, wildlife, biological science, natural resource management or a similar discipline; one year experience in organizing, coordinating and/or participating in field stream surveys; experience using electroshockers; ability to interpret topographical maps and use a compass; excellent written and oral communication skills; excellent interpersonal skills; willingness to work extended hours on a flexible schedule, and to travel extensively throughout Oregon; valid drivers license and experience with 4X4 vehicles on rough roads. **Previous experience** with leadership; word processing; white water rafting; and operation of geographical positioning systems (GPS) will be a plus. Physical demands include: ability to carry a heavy backpack over rough terrain for extended periods; ability to work in and around Wadeable and non-wadeable streams; and ability to work proficiently with a computer keyboard and screen. Lodging, meal per diem and overtime will be provided.

Send a cover letter specifically addressing how you meet each of the minimum qualifications and previous experience; a resume, and the names, addresses and phone numbers of three professional references by March 31, 1997, to Dynamac Corporation, 200 SW 35th Street Corvallis, OR 97333.

## Executive Director

An opportunity to create your own unique identity within the state of Oregon by providing comprehensive training, technical assistance, and support to nonprofit and volunteer home buyer education and counseling providers. The Executive Director, while working independently, will receive direction from the Advisory Committee for the Oregon HomePath Collaborative.

Required skills are as varied as the responsibilities of this position, but candidates must have a thorough knowledge and understanding of housing education issues, available resources and programs throughout the state. Project management experience, primarily in the home ownership field, will include demonstrated ability to analyze needs, develop training programs, and organize and implement processes and procedures to achieve stated goals. Proven ability to effectively use, and direct the use of, mortgage-related software and database management to ensure ongoing technical support and current information. Highly desirable will be the candidate who has established, positive relationships with the variety of providers, partners and local, state, and federal government entities involved in the home ownership process.

Position will be centered in Portland, with statewide travel required. Interested parties should send a cover letter, resume, salary history and at least three professional references to:

Oregon HomePath Collaborative  
c/o Postal Depot Box #116  
1021 A SW 1st  
Canby, Or 97013

Information must be received no later March 31, 1997 to be considered.

Employment

## When it comes to keeping Oregon healthy, we couldn't care more.

Since 1941, Blue Cross and Blue Shield of Oregon has relied on the efforts of our exceptional workforce to discover innovative routes to superior health care. Solutions like wellness programs, physician-directed care and assistance to uninsured Oregonians. Our people understand that while quality often has a price, efficiency and intelligent strategies can keep costs to a minimum. If bettering the quality of life in Oregon sounds like a worthwhile pursuit to you, consider our possibilities.

### Systems Programmer

(Job # 5145)

You will perform installation, testing, maintenance and tuning of the MPE/IX operating system for our managed care processing system. To qualify, you must have a college degree (or equivalent work experience) and a thorough knowledge of MPE/IX operating system with a minimum of three years in a networked environment.

### Telemarketing Enrollment Specialist

(Job # 065)

You will direct telephone solicitation efforts to promote and sell all individual products from both internal and external leads as well as assemble and distribute leads outsourced to preferred agents. Also, you will coordinate direct mail campaigns and track results. You must have a Bachelor's degree or equivalent combination of education and work experience in direct sales or member service in the health insurance industry.

### Programmer/Programmer Analyst

(Job # 259)

You will assist with the conversion to our new claims processing system and testing of installation of scheduled releases for our Medicare Systems Group. You will be responsible for the development and implementation of changes and additions to the system. You must have a degree in Computer Science (or equivalent experience) and knowledge of COBOL 2, MVS, JCL, ISPF and EZTieve.

### Group Underwriter New Groups

(Job # 067)

You will enroll all new groups and enter benefit changes into our OFS Life Department computer system in a timely and accurate manner. You will create new benefit plans, rate tables and commission pointers for customized groups. You must have a High School diploma (or equivalent) and at least two years of experience in the insurance industry.

### Department Secretary I

(Job # 060)

You will perform secretarial and receptionist duties as well as provide organizational and project support for the Shared Services Center staff. You must have a high school diploma and at least two years of secretarial experience. You must have the ability to type 50 wpm, transcribe from handwritten copy and effectively communicate.

We offer competitive salaries and benefits package. Pre-employment drug screening is required, and we support a smoke-free work environment. For more information about career opportunities, call our Job Information Line: 1-800-231-1617 or visit our website at <http://www.bcsbo.com>. To apply, please place the position number at the top of your resume or cover letter and submit to: Blue Cross Blue Shield of Oregon HMO, Human Resources, P.O. Box 1271, Portland, OR 97207-1270, TDD # (503) 225-6780. We are strongly committed to equal opportunity in all phases of employment.

In Oregon, opportunity means great benefits, competitive salaries, and a large variety of careers available state-wide. Currently, openings exist in the following agencies:

### OREGON DEPARTMENT OF TRANSPORTATION

#### Oregon Department of Transportation

(ODOT), is known throughout the nation as a progressive government agency and as a leader in team development and performance measures. ODOT is responsible for the coordination of transportation programs between and among all governmental organizations within the state. We have an immediate opportunity for the following positions:

#### Planner 1

##### (Transportation Planner)

We are seeking applicants for limited duration position in Salem. Duration will be approximately 18 months, with no expectation of continued employment beyond September 30, 1998. This position will assist in developing the 1998 Oregon Highway Plan and coordinate the development process. This includes reviewing, checking and interpreting information, developing and writing reports, preparing newsletters, and assisting in the operation of advisory committees and public review of the plan. Requires a Bachelor's degree in Urban or Regional Planning, Public Administration, Social Science, Civil Engineering, included planning experience collecting and analyzing data, identifying future trends, and preparing technical papers and reports with recommendations. Salary \$1,672 to \$2,284 a month plus benefits. Completed application materials must be received by March 28, 1997. Announcement #OCDD7136. Call (503) 986-4030 (TTY 503-986-3854) to request application packet.

#### For other ODOT opportunities call our Recruitment JOBLINE at (503) 986-3847.

### OREGON STATE UNIVERSITY

#### Heat Plant Manager

Heating Plant Manager, OSU Facilities Services. Major duties include supervising the operation and maintenance of the central Heating Plant, and related equipment. Bachelor's degree or equivalent work experience, with at least five years experience required as a boiler operator, and a minimum of three years experience required in supervision of boiler operators in a Heat Plant. Experience in a physical plant setting is preferred. Must have knowledge of federal and state guidelines on the operation of high pressure steam plants; general knowledge of electronic boiler controls, and automatic combustion control systems. General knowledge of building automation systems for energy management. Must have demonstrated significant leadership experience and ability. Proficiency in the use of a personal computer and relevant software applications is also required. Submit letter, resume, and at least three references to LaRayne DeJulls, 100 Adams Hall, Corvallis, OR 97331-2001, (541) 737-7669. For full consideration, application materials must be received by April 4, 1997. However, applications will be accepted until the position has been filled. OSU has a policy of being responsive to the needs of dual-career couples.

#### These are just some of the current openings available with the State of Oregon.
