

CLASSIFIEDS

Senior Analytical Chemist

Dynamac Corporation is a research and consulting firm providing government and industry with technical services in environmental science, engineering and biotechnology. We are currently seeking applicants to fill a position to provide senior analytical chemistry support for the development and operation of a research laboratory for the chemical analysis of water and sediment samples from lakes and streams in the Pacific Northwest. Develop methods and protocols for the analysis of surface and ground water, soils, and sediments for major anions and cations, organic and inorganic carbon, and nutrients. Organize and maintain the laboratory by scheduling analyses, calibrating equipment and procuring supplies. Develop and implement a data management system and assume responsibility for data quality control. Serve as the focal point for analytical chemistry on various research teams. Participate in report preparation and in contributing to peer-reviewed publications with participating scientists.

Qualifications: Minimum qualification include: M.S. in chemistry with a minimum of six years of related experience; 1) experience in management of a chemistry laboratory; 2) experience in chemical preparation of water and soil samples for nutrient and elemental analysis; 3) experience in ion chromatograph analysis; 4) experience in maintaining scientific equipment; 5) database management; 6) ability to interact effectively with a team of researchers. Preferred candidates will have experience in: 1) total organic carbon analyzers, autoanalyzers, atomic absorption spectrophotometer; 2) QA/QC techniques and procedures; and 3) writing standard operating procedures; 3) peer-reviewed publications. Physical requirements include the ability to: 1) perform normal laboratory tasks, which include moderate lifting (20 to 40 lbs.); 2) move about freely in a laboratory setting; and 3) work proficiently with computer keyboards and screen.

Send a cover letter specifically (Cite Reference #CORI-006-19/0497) addressing how you meet each of the minimum qualifications and previous experience; a resume, and the names, addresses and phone numbers of three professional reference by April 18, 1997 to Dynamac Corporation, 200 SW 35th Street Corvallis, OR 97333.
