

CLASSIFIEDS/BIDS

Notice Of Opportunity For Public Hearing

Notice is hereby given that a public hearing, if so requested by any interested person, will be held by the Tri-County Metropolitan Transportation District of Oregon (Tri-Met) at 3:30 pm, Wednesday, September 24, 1997 at the Portland Building, 1120 SW 5th Avenue, 2nd Floor, Room C., Portland, Oregon, for the purpose of considering a project for which federal assistance is being sought. Persons requesting that this hearing be convened should contact Tri-Met's Finance Administrator, by telephone at (503) 238-5850, or in writing at 4012 SE 17 Ave., Portland, OR, 97202 by Monday, September 8, 1997.

The project under consideration is Westside-Hillsboro Light Rail. Tri-Met received federal approval in September 1992 to design and construct the Westside rail project from downtown Portland to SW 185th Avenue in Washington County. In December 1994, the Federal Transit Administration approved an amendment to extend the rail line from SW 185th into downtown Hillsboro by Fall, 1998.

Fiscal year 1998 funding requested in this grant application for continuation of the rail project is up to \$63,400,000 in federal assistance. (Exact amount depends on Congressional action.) These federal funds would be matched with up to \$15,850,000 in local dollars.

Project expenditures will support civil construction including tunnel excavation; final design; procurement of vehicles, track, electrification, signals, communication and fare collection equipment, and other system requirements; right of way acquisition; and project administration.

A discussion of displacement of persons, families and businesses associated with the Westside-Hillsboro Project is included in Final Environmental Impact Statements on file at Tri-Met offices. The project is in conformance with comprehensive land use and transportation planning in the area and is programmed in regional and state Transportation Improvement Programs.

In the event a hearing is held, Tri-Met will afford opportunity for interested persons or agencies to be heard with respect to the social, economic, and environmental aspects of the project.

A person requesting a sign language interpreter shall give Tri-Met at least 48 hours notice of the request by contacting Tri-Met at 238-5850 or TDD 238-5811, Monday through Friday, 8:00 am to 5:00 pm.

A copy of the grant application, Westside-Hillsboro environmental documents, and Tri-Met's transit development plan are available for public inspection at Tri-Met's Grants Dept, 4th floor, 4012 SE 17th Avenue, Portland OR.
