Request for Proposal

Public Outreach & Involvement Strategy for Diverse Cultures & Minority Populations

The Lower Columbia River Estuary Program (LCREP) is seeking the services of a consultant to assist in the development of a public outreach and public involvement strategy specifically targeting multi-cultures and minority cultures and communities.

The LCREP's broad goal is to increase awareness of the Columbia River Estuary as a regional and national resource. The primary charge of the program is to develop a management plan that identifies actions to be taken to improve environmental problems in the study area. To accomplish this, the program strives to include all members of the lower river community from Bonneville Dam to Astoria in its processes. The strategy being requested will address outreach and involvement of diverse cultures and minority populations as two separate, but inter-related components. One specific foci will be children in grades K-12.

For a complete copy of the Request for Proposal (RFP), please call: Jeanne Chamness @ 503-229-6066. Proposals are not to exceed \$10,000. Proposals are due by 4:00 p.m. October 13, 1997.
