### Experience Corps: Older Adults Helping Elementary School Children

The Experience Corps is looking for volunteers age 55 and over to help improve scholastic achievement and the overall quality of life of school children.

Starting in September, this expanding program has operated in six Portland elementary schools: Atkinson, Humboldt, Kenton, Lent, Vernon and Woodlawn.

Experience Corps volunteers serve in teams and perform a variety of activities based on their talents and interests and the needs of the school. Examples include fundraising, working with computers, and assisting with after school activities. Helping with reading activities is especially important. Stipends are available for volunteers who commit to at least 12 hours a week.

Experience Corps is a great way for older adults to be involved in community service, share life experiences, and use leadership qualities gained from experience. A range of opportunities are available for anyone who cares about our schools and wants to make a difference - call Shirley at 249-0469 for more information or to join.
