## Information Systems

### Information Systems Specialist 8

Oregon Youth Authority

\$3,584 to \$4,735 Monthly Salary

This is a highly technical, software development position. The person in this position will work in a complex technical environment which includes multiple desktop operating systems, client/server technology, relational databases, and interfaces into many other State information systems. The application development environment includes object oriented methodology, Smalltalk, Visual Works, and Oracle RDMS. The person in this position will be a member of an application development team responsible for analysis, design, development, and implementation of OYA's operational business functions. The development team is responsible for all aspects of development life cycle. Minimum qualifications include six years of professional, technical, application development experience. Qualifying experience must demonstrate knowledge in providing expert technical advice, leadership, systems analysis, and programming, for planning, development, and implementation software applications for large scale information systems. Requirements include five months or more of experience with client/server technology, and six months or more experience with Smalltalk. Fifteen quarter hours (or 10 semester hours) graduate-level computer science, software engineering, information systems, or equivalent credits may substitute for one year of professional experience. Preference may be given to applicants that demonstrate excellent communication, analytical, and problem solving skills. (Experience developing applications for a cross platform environment such as Windows 95 and Macintosh.) Call 1-800-375-2864 for application information. AA/EOE

## City of Portland Office Of Cable Communications And Franchise Management

### Preparation Of Technology

### Ascertainment Report On

### the Potential Upgrade Of

### TCl Cable System For

### The Cable System For

### The Mt Hood Cable

### Regulatory Commission

Proposals due 4:00 pm, Nov. 10

Request For Proposals

RFP No. 98078

The City of Portland Office of Cable Communications requests proposals from qualified consultants to provide technical evaluation services.

A complete description of the project, specific requirements and evaluation criteria for the proposal may be obtained from the Bureau of Purchases, Room 1313, 1120 S.W. Fifth Ave., Portland, OR. 97204, (503) 823-6855. Proposals shall be received at that office until 4:00 p.m., November 10, 1997.

Proposals shall be reviewed by a consultant selection committee in accordance with Chapter 5.68 of the City Code. Interviews may be held with the highest rated firms.

Consultants shall be required to conform to the City MBE/WBE and Equal Employment Opportunity Programs. The City of Portland is committed to increasing contracting, subcontracting and employment opportunities for minority and women owned businesses. Consultants are required to evaluate project specifications in endeavoring to maximize use of MBE and WEB firms. Consultants are encouraged to conduct pre-bid conferences and are advised to investigate all potential sources of MBE and WBE participation, including suppliers of materials, services and equipment. Consultants identifying subcontracting opportunities are required to maximize outreach to minority and women owned firms in fulfilling these subcontracting needs. Attention is called to Chapter 3.100 of the City of Portland Code relative to certification as an Equal Employment Opportunity Employer. Details of EEO certification requirements are available from the Bureau of Purchases, Room 1313, 1120 S.W. Fifth Ave., Portland, OR. 97204, (503) 823-6855.
