

# REMEMBERED

...from areas where your quest for freedom left you battered by the storms of persecution and staggered by the winds of police brutality. You have been the veterans of creative suffering. Continue to work with the faith that unearned suffering is redemptive.

Go back to Mississippi; go back to...

**"Dream  Speech"**

Martin Luther King Sr. "Daddy King" (far left).

Mr. and Mrs. Obie Scott with their grandchildren (Near Left): Dexter, Yoki, Auturo Bagley, Bunny, and Marty.

"Diversity has always been the reality of human experience. And because it has been, it is the factor to allow the human species to survive. The only difference is that today we are trying to acknowledge that natural diversity, rather than to deny it as we have in the past."

- Professor Darrell Millner of Portland State University -
