**Attention Renters**

You may qualify for Housing Assistance under the tenant-based assistance (Section 8) program for low income families and individuals. The Housing Authority of Clackamas County will be accepting applications for this program effective March 9, 1998 at 8:00 a.m. Applications will be accepted until April 3, 1998 at 5:00 p.m., when the waiting list will close until further notice. Eligibility will be based upon income and family size.

Assistance is in the form of a rent subsidy and may be provided in the home in which you presently live, subject to program criteria.

Priority will be given to families who claim and qualify for a preference under the Federal Preference law. Families who have been displaced through no fault of their own, living in substandard housing as defined by HUD, and/or families who pay more than 50% of their income for rent and utilities would qualify for a preferred status.

Occupants of and applicants on the present waiting list for Public Housing and other assisted housing must specifically apply for the Section 8 Rental Assistance Program if you wish to participate.

A Family that is already on the Housing Authority's Section 8 waiting list, even if they are waiting for a Voucher, is also on the waiting list for a Certificate and does not need to reapply. Applicants for the Section 8 programs will not lose their place on the Public Housing waiting list. The waiting list will always remain open for those applicants who qualify for a Ranking or Local preference.

For further information, call 655-8267, extension O. Interested families may apply for the Section 8 Program at:
