Attention Renters

You may qualify for Housing Assistance under the Tenant-based assistance (Section 8) program for low income families and individuals. The Housing Authority of Clackamas County began accepting applications for this program on March 9, 1998. We have decided to keep the list open beyond our original closing date of April 3, 1998. Applications will continue to be accepted until further notice. Eligibility will be based upon income and family size.

Assistance is in the form of a rent subsidy and may be provided in the home in which you presently live, subject to program criteria. Priority will be given to families who claim and qualify for a preference under the Federal Preference law. Families who have been displaced through no fault of their own, living in substandard housing as defined by HUD, and/or families who pay more than 50% of their income for rent and utilities would qualify for a preferred status.

Occupants of and applicants on the present waiting list for Public Housing and other assisted housing must specifically apply for the Section 8 Rental Assistance Program if you wish to participate.

A Family that is already on the Housing Authority's Section 8 waiting list, even if they are waiting for a Voucher, is also on the waiting list for a Certificate and does not need to reapply. Applicants for the Section 8 programs will not lose their place on the Public Housing waiting list. The waiting list will always remain open for those applicants who qualify for a Ranking or Local preference.

For further information, call 655-8267, extension O. Interested families may apply for the Section 8 program at:
