Event: Taste-testing and discussion. Barnes & Noble welcomes Joe Bianco for a taste-testing and discussion from his book, Treasures Italian. (Avellino Press) This is a fresh look at the little known art cities of northern Italy. During his stay in Italy, Mr. Bianco collected recipes from some of the region's leading chefs and combined that treasures with the area's unique culture. This is a quick read of a classic country rich in history and food. We will enjoy a tasting of the recipes from the book provided by Bastas Tratorria of Portland.
