Sealed proposals will be received by the Department of Environmental Services at Gresham City Hall, 1333, N.W. Eastman Parkway, Gresham, Oregon 97030, until May 20, 1998, 9:00 a.m., local time, at which time they will be opened for the 1998/99 Slurry Seal Project No. 5098.

#### The major quantities involved are as follows:

- 1308 (approximately) Tons  
Application of Type II Slurry Seal
- 2224 (approximately) Tons  
Application of Type III Slurry Seal

Contractor for this work shall furnish all labor at current U.S. Department of Labor prevailing wage rates, materials and equipment and services of all kinds to complete the work in accordance with the plans and specification therefore.

**Prior to obtaining plans and specifications, contractors must be a holder of** (as identified by the Department of Environmental Services distribution list), or purchase (\$50), the current **City of Gresham Public Works Standards** (July 20, 1993).

Plans and specifications may be examined at the office of the Department of Environmental Services, 1333 N.W. Eastman Parkway, Gresham, Oregon. Copies of said plans and specifications may be obtained upon application to the Department of Environmental Services and by positing a non-refundable fee of \$25 with the Department of Environmental Services for each set of plans and specification requested. **If plans and specifications are ordered by mail, you must add a \$5 processing and mailing charge.** Questions concerning this project should be addressed to **John Harris, Transportation Operations Supervisor, or Jim Clark, Project Manager, at 618-2626.**

Contractors must prequalify for construction with the City of Gresham, as required by the laws of the State of Oregon, before the date of bid opening. Otherwise, their proposal may not be given consideration.

Contractors shall obtain a City of Gresham business license prior to commencing work.

All proposals must be submitted on the regular forms furnished by the City of Gresham, addressed and mailed or delivered to the Department of Environmental Services, City of Gresham, 1333 N.W. Eastman Parkway, Gresham, Oregon 97030-3813 in a sealed envelope plainly marked, **"Sealed Bid on 1998/99 Slurry Seal Project No. 5098"**, bearing the name and address of the bidder. Each bid must be accompanied by a certified check, cashier's check or bid bond in an amount not less than ten percent (10) of the total bid. A performance and payment corporate surety bond in the full amount of the contract shall be required to guarantee faithful performance of the terms of the contract at the time of contract execution.

Each bid must contain a statement as to whether the bidder is a resident bidder, as defined in ORS 279.029. In determining the lowest responsible bidder, the public contracting agency shall, for the purpose of awarding the contract, add a percent increase on the bid of a nonresident-bidder equal to the percent, if any, of the preference given to that bidder in that state in which the bidder resides.

Each bid must contain a statement by the bidder that the provision of ORS 279.350 will be complied with.

Each bidder must file with his bid an affidavit of non-collusion.

The City of Gresham reserves the right to reject any and/or all bids, waive formalities or to accept any bid which appears to serve the best interests of the City.

The City of Gresham is an equal opportunity employer.
