Computer

**Programmer Analyst**  
Oregon Legislature

Full time professional needed to participate in our technology transition migrating from a mainframe/enterprise system to leading edge Client/Server and Internet applications.

Applicants must have 2 years current experience in developing software applications. We prefer mainframe programming experience in a IBM VM/CMS environment supporting DB2, CSP, REXX, DW/370 and related products.

Experience developing GUI applications in an RDBMS environment using Windows 95, Visual Basic, C, HTML and related tools will help you be a key player in our transition.

We offer excellent learning and professional growth opportunities and an outstanding work environment.

Comprehensive benefits package. Salary depends on experience.
