Chicago Mass Choir

Some say a choir is a choir, is a choir. However, that's not the case when the choir is the windy city's GMWA Excellence Award winner and Stellar and Soul Train Award nominee, the **Chicago Mass Choir**. CMC is on a mission from God to take their music, which is steeped in God's word, to the people...from the churches to the streets.

With the release of their latest and eighth album, **Keep Your Mind On Jesus**, CMC is set to do just that. **Keep Your Mind On Jesus**, is the choir's most versatile one to date, yet it has not lost the quality of excellence in Gospel MC is known for delivering on its recorded music. Simply put, from beginning to end, **Keep Your Mind On Jesus** will take you to church right where you

stand, uplift your soul and refresh your spirit.

To get that youth appeal, and still keep the *young at heart* Gospel music lover, the album offers a glorious creative mix of music with Contemporary cuts like the medium tempo "God's Got A New Thang" and the touching "You Rescued Me." Traditional Gospel standouts in-

clude the *hand clapping, toe tapping* "Keep Your Focus On Jesus," the spiritually jumping title cut and "Soon One Morning."

With **Keep Your Mind On Jesus**, the Chicago Mass Choir is reaching out to the world with an expanded music ministry that is inspired by God's word and jams for the soul!
