MTV's House of Style and IMG Bring "Model Mission" to Pioneer Place Shopping Center

Local Winner to Appear in "Fashionable Loud" December 5th and Compete for \$250,000 Modeling Contract from IMG Models

MTV: Music Television announced that MTV's "House of Style" and IMG Models will hold a regional "Model Mission" competition at the Pioneer Place Shopping Center in Portland, Or. "Model Mission" is a national model search being held in 4 cities around the country.

On August 22, "House of Style's" Rebecca Romijn will host a "Model Mission" semi-final event from 8:00 am to 1:30 pm where the first 1,000 eligible young women will compete for a chance to travel to appear on MTV's "Fashionably Loud" and win a \$250,000 modeling contract from IMG Models. IMG model Alek Wek, "House of Style's" Model of the Year for 1997, will co-host the event in Portland. After narrowing the field to 5 semi-finalists, Rebecca will host a finalist competition at 5:30 pm, where the young women will participate in 3 stunts to determine the winner. Each of the semi-finalist events will broadcast as half-hour specials on MTV and lead up to the December 5th broadcast of "Fashionably Loud," where the IMG modeling contract will be awarded.

To be eligible, you must be female, 16-24 years old (with a valid passport or birth certificate; minors must be accompanied by parent or legal guardian), U.S. citizen, 5'7" or taller and be available the week of December 5th, 1998. The Pioneer Place Shopping Center entrance for "Model Mission" is the corner of Yamhill and 4th Avenue.

The finalist selected in Portland will participate in "Fashionably Loud," House of Style's mix of top models, cool clothes and live music performances. The 4 finalists will take to the runway along with other top models showing the spring collections from top designers. At the end of

the show, a "Model Mission" winner will be chosen, and she will receive a \$250,000 modeling contract with IMG Models. In addition, *Mademoiselle* magazine, the national print partner, will feature the winner in an upcoming issue.
