When it comes to keeping Oregon healthy, we couldn't care more.

Since 1941, Regence BlueCross BlueShield of Oregon has relied on the efforts of our exceptional workforce to discover innovative routes to superior health care. Solutions like wellness programs, physician-directed care and assistance to uninsured Oregonians. Our people understand that while quality often has a price, efficiency and intelligent strategies can keep costs to a minimum. If bettering the quality of life in Oregon sounds like a worthwhile pursuit to you, consider our possibilities:

Claims Analysts (Job #1553)
 We are currently seeking dependable and enthusiastic individuals who will be responsible for the consistent, accurate, and timely application of contract benefits in claims processing. You must have a High School diploma or equivalent. Working knowledge of ICD9 and CPT IV coding and typing and I/O-key proficiency are essential. Attention to detail is crucial in this position, as is the ability to perform under pressure while meeting company standards in a team environment.

Medical Management Coordinator I (Job #959)
 You will perform advanced medical case assessment, management and intervention, as well as concurrent medical review. You must have a current Oregon RN's license and at least 3 years of active practice in a hospital setting or recent pre-certification experience. You must have knowledge of current medical and nursing standards of practice and a valid Oregon or Washington driver's license with a good driving record. The ability to exercise independent judgment and initiative is necessary, as is the ability to handle multiple tasks simultaneously and prioritize workload.

System Administrator Sr. System Administrator (Job #1495)
 You will be responsible for installing, maintaining, upgrading and overseeing the application programming and environment for our Lawson HR/Payroll System. Duties will include installing, configuring and maintaining clients and servers in at least one of the environments in use (UNIX, Windows NT, S/390) and making recommendations on the daily operating parameters of that system. Requires a Bachelor's degree in Computer Science or equivalent, and a minimum of 2 years' Programmer Analyst and computer operations experience. With at least 5 years' System Administrator experience, a senior level position will be considered. Demonstrated COBOL programming and analysis skills essential.

We offer a competitive salary and comprehensive benefits package. Pre-employment drug screening is required and we support a smoke-free work environment. To apply, please indicate job number and/or title at the top of your resume or cover letter and submit to: **Regence BlueCross BlueShield of Oregon and Regence HMO Oregon, Human Resources, P.O. Box 1271, Portland, OR 97207-1270, TTY # (503) 225-6780.** We are strongly committed to equal opportunity in all phases of employment.
