When it comes to keeping Oregon healthy, we couldn't care more.

Since 1941, Regence BlueCross BlueShield of Oregon has relied on the efforts of our exceptional workforce to discover innovative routes to superior health care. Solutions like wellness programs, physician-directed care and assistance to uninsured Oregonians. Our people understand that while quality often has a price, efficiency and intelligent strategies can keep costs to a minimum. If bettering the quality of life in Oregon sounds like a worthwhile pursuit to you, consider our possibilities:

Business Systems Analyst 1-2

(Job #1616)

You will be responsible for system administration of the ICR system including file and database maintenance and resolution of system errors. Other responsibilities include defining product specifications for software development and implementation, and identifying and resolving issues between business requirements and technical constraints. Requires a Bachelor's degree in Computer Science, Engineering, Mathematics, Business Administration, related field, or equivalent training/business experience, plus 2 - 4 years' experience as a Business Systems Analyst or relevant experience in health systems and/or business systems.

OHP Dental Service Representative

(Job #2078)

As the liaison for Capitol Dental Care's dental providers, you will administer claims payment on their behalf. Other responsibilities include providing timely response to provider inquiries, processing pre-authorizations, new employee training, claim problem resolutions and on-line claim processing or reprocessing. Requires a motivated HS graduate team player that possesses knowledge of dental terminology, anatomy, dental procedure coding and capitation and fee-for-service reimbursement methodologies. The ability to meet deadlines, communicate effectively and provide excellent customer service are essential.

Medical Management Coordinator I

(Job #1406)

You will perform advanced medical case assessment, management and intervention, as well as concurrent medical review. You will oversee medical care provided to subscribers to comply with company quality assurance, utilization review and case management policies and procedures. You must have a current Oregon RN's license and at least three years of active practice in a hospital setting or recent per-certification experience. You must have knowledge of current medical and nursing standards of practice and a valid Oregon or Washington driver's license with a good driving record. The ability to exercise independent judgment and initiative is necessary, as is the ability to handle multiple tasks simultaneously and prioritize workload.

Provider Data Consultant

(Job #1989)

Working full-time in our Medical Affairs Department, you will extract data, analyze information and disseminate findings of the various benefit structure of HMO and PPO risk/non-risk and financial agreements to individuals, providers, facilities and group practitioners. To qualify, you must have Bachelor's degree in Healthcare or Business Administration, a minimum of 3 years' related work experience in the healthcare industry and a familiarity with current reimbursement approaches. Proficient presentation verbal and written communication skills a must.

Customer Service Representatives

(Job #1577)

This is an excellent opportunity to use your customer service skills to serve as our liaison to provide information regarding benefits, contract administration, eligibility, claim payments and denials. You must work well with little supervision in a team environment. Additionally, you must have excellent customer service, PC, organizational, prioritization and communication skills as well as the ability to type 40 word per minute.

We offer a competitive salary and comprehensive benefits package. Pre-employment drug screening is required and we support a smoke-free work environment. To apply, please indicate job number and/or title at the top of your resume or cover letter and submit to: Regence BlueCross BlueShield of Oregon and Regence HMO Oregon, Human Resources, P. O. Box 1271, Portland, OR 97207-1270, TTY (503) 225-6780. We are strongly committed to equal opportunity in all phases of employment.
