LASSIFIED [

Attorney Sought By the Department of Energy

The Richland Operations Office of the Department of Energy (DOE) in Richland, Washington, seeks to hire an experienced attorney for work that will mainly involve the Department's Office of River Protection (ORP). This is an excellent opportunity for an experienced attorney to apply his or her expertise to resolving a wide range of legal questions associated with environmental restoration, contracting, and operation of a multi-billion dollar radioactive waste processing plant under privatization contracts involving third party financing arrangements.

Legal issues at DOE's Hanford Site include contracting and privatization issues, environmental compliance and permitting negotiation of agreements with regulators, in particular regarding cleanup activities.

The position will be at the GS-14 level, with a salary range per year of \$67,298 - 87,489. Applicants must have at least six (6) years of professional legal experience and be a current active members of the bar. To obtain vacancy announcements and application materials call 509-376-8797, (800) 695-4363, or via e-mail at doerl, recruitment@rl.gov. Completed application packages must be received or postmarked by January 28, 1999. Location: Richland. WA. US Citizenship Required.
