**Public Notice**

The State Of Oregon, Department Of Human Resources, Oregon Health Division (OHD), is issuing a Request For Proposals #308 (RFP #308) for contractor(s) to provide demonstration projects and evaluation of new, innovative approaches to the prevention and control of Tobacco use among youth and adults, to the protection of children and adults from exposure to secondhand smoke in Oregon, and to countering Pro-Tobacco influences. Priority will be given to proposals that have a population-based focus. Complement the work being done by local coalitions and aid the statewide program of reducing tobacco use in our state. The initial contract period will be approximately from April 1, 1999 through June 30, 2000. OHD may award up to one additional year. Without additional solicitations, if OHD determines that the work performed has been satisfactory. OHD will award up to \$500,000 in contracts through this RFP. Maximum funding for any single proposal is \$150,000. A proposer may submit multiple proposals. Each of which will be separately evaluated. Funds may not be used (1) to provide direct client services (Medical Treatments) for nicotine dependence (2) for paid mass media campaigns or (3) as a substitute for tobacco industry sponsorship of events or organizations. Proposals are expected to have a strong evaluation component.

Interested parties may request further information or copies of RFP #308 by calling or writing:

**When it comes to keeping Oregon healthy, we couldn't care more.**

Since 1941, Regence BlueCross BlueShield of Oregon has relied on the efforts of our exceptional workforce to discover innovative routes to superior health care. Solutions like wellness programs, physician-directed care and assistance to uninsured Oregonians. Our people understand that while quality often has a price, efficiency and intelligent strategies can keep costs to a minimum. If bettering the quality of life in Oregon sounds like a worthwhile pursuit to you, consider our possibilities:

**Medicare Beneficiary Representative**  
(Job #2258)

You will provide accurate and timely information in response to inquiries from beneficiaries, providers and the general public concerning Medicare benefits and exclusions; provide accurate and timely claim payment or denial information to beneficiaries or their legal representatives and providers to comply with Medicare contract requirements as defined by the Health Care Financing Administration. Requires a high school diploma, or equivalent, plus prior experience with customer relations, including good telephone skills, personal contact and addressing large groups. Strong analytical skills and ability to organize, prioritize and meet deadlines necessary. Must be able to communicate professionally, in both verbal and written form.

**Assistant Auditor**  
(Job #2173)

As the entry level member within the Medicare Reimbursement and Audit Department, you will be responsible for performing desk reviews, field audits, and finalizations in accordance with generally accepted accounting principles (GAAP), federal regulations, and approved Health Care Financing Administration (HCFA) procedures. Duties will include performing assigned audit procedures; preparing necessary work papers to document audit findings; and obtaining knowledge of the providers' accounting systems; and perform audits at providers' facilities. Requires a Bachelor's degree in Accounting. Previous work experience in accounting or healthcare services is a definite plus. Ability to develop working knowledge of the Medicare cost reporting forms as well as become familiar with generally accepted accounting principles, reimbursement regulations, manuals and other directives issued is necessary.

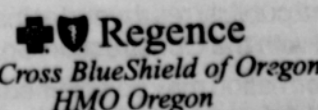

**Medicare Provider Representative**  
(Job #2310)

You will be responsible for providing accurate and timely information to providers, vendors and professional organizations on Medicare coverage and billing requirements. Duties will include providing training to new and existing providers; developing and distributing education materials; conducting or participating in provider workshops or seminars; and maintaining documentation of all provider contacts. Requires a Bachelor's degree in Healthcare or Business, plus 2 years' work experience in the healthcare field. You must have in-depth understanding of medical terminology and coding. Proficiency in verbal and written communications and experience speaking before small and large groups also a must.

**Medical Management Coordinator I**  
(Job #1406)

You will perform advanced medical case assessment, management and intervention, as well as concurrent medical review. You will oversee medical care provided to subscribers to comply with company quality assurance, utilization review and case management policies and procedures. You must have a current Oregon RN's license and at least 3 years' active practice in a hospital setting or recent pre-certification experience. You must have knowledge of current medical and nursing standards of practice and a valid Oregon or Washington driver's license with a good driving record. The ability to exercise independent judgment and initiative is necessary, as is the ability to handle multiple tasks simultaneously and prioritize workload.

We offer a competitive salary and comprehensive benefits package. Pre-employment drug screening is required and we support a smoke-free work environment. To apply, please indicate job number and/or title at the top of your resume or cover letter and submit to: **Regence BlueCross BlueShield of Oregon and Regence HMO Oregon, Human Resources, P. O. Box 1271, Portland, OR 97207-1270, TTY (503) 225-6780.** We are strongly committed to equal opportunity in all phases of employment.
